Sex Pots Eroticism In Ceramics:

Sex Pots Paul Mathieu, 2003 Over the past twenty years debates about pornography have raged within feminism and beyond Throughout the 1970s feminists increasingly addressed the problem of men's sexual violence against women and many women reduced the politics of men's power to questions about sexuality By the 1980s these questions had become more and more focused on the issue of pornography now a metaphor for the menace of male power Collapsing feminist politics into sexuality and sexuality into pornography has not only caused some of the deepest splits between feminists but made it harder to think clearly about either sexuality or pornography indeed about feminist politics more generally This provocative collection by well known feminists surveys these arguments and in particular asks why recent feminist debates about sexuality keep reducing to questions of pornography

Art and Laughter Sheri Klein, 2006-11-22 This is the first book to take seriously though not too seriously the surprisingly neglected role of humour in art Art and Laughter looks back to comic masters such as Hogarth and Daumier and to Dada Surrealism and Pop Art asking what makes us laugh and why It explores the use of comedy in art from satire and irony to pun parody and black and bawdy humour Encouraging laughter in the hallowed space of the gallery Sheri Klein praises the contemporary artist as clown often overlooked in favour of the role of artist as serious commentator and takes us on a tour of the comic work of Red Grooms Cary Leibowitz The Hairy Who Richard Prince Bruce Nauman Jeff Koons William Wegman Vik Muniz and many more She seeks out those rare smiles in art from the Mona Lisa onwards and highlights too the pleasures of the cute the camp and the downright kitsch
