Sex Ed:

The Fight for Sex Ed Margaret Grace Myers, 2025-08-12 The first comprehensive trade history of sex ed in American schools and an impassioned call to reform sex ed into a powerful tool for reproductive justice and social equality The U S has some of the highest rates of STIs and teen pregnancies in the industrialized world A comprehensive sex education curriculum which teaches facts on contraception prophylactics consent and STIs has been available since the 90s Yet the majority of states require that sex education stress abstinence and 22 states do not require sex ed in public schools at all In *The Fight for Sex Ed* writer advocate and historian Margaret Myers shows us how we got here While the earliest calls for sex ed came from a coalition of religious leaders and doctors at the turn of the century who sought to control the prevalence of STIs the advent of antibiotics and modern condoms meant that abstinence was no longer good public health policy The religious right however continued to frame it as such using its impressive machinery to replace scientific facts with conservative Christian values Because sex ed is not mandated at the federal level these battles have played out locally throughout the decades through rigged school boards administrative oustings court cases unjust firings scare tactics and threats Myers also shows how the religious right has worked to narrow the discourse around sex ed often dictating the terms of debate almost entirely What we teach young people has serious ramifications for reproductive justice LGBTQ rights gender equality and public health Sex education lies at the intersection of these hugely important cultural forces yet it has been largely invisible This book illuminates its potential and its power

The Sex Ed You Never Had Chantelle Otten, 2021-09-28 From award winning psychosexologist Chantelle Otten comes the well overdue inclusive and meticulous guide to all things sex bodies and relationships For too long talking about our anatomies and our experiences has been taboo Normal functions have been deemed embarrassing and even shameful impacting people s mental and physical health In this amazing and comprehensive guide filled with accurate facts and helpful illustrations Chantelle refuses to leave these conversations languishing on the fringes any longer From breaking myths about reproductive health to exploring ideas of consent *The Sex Ed You Never Had* will teach everyone something new about their body and the fun and pleasurable ways to use it

Sex Ed, Segregated Courtney Q. Shah, 2015 Demonstrates that the intersection between race gender and class formed the backbone of Progressive Era debates over sex education the policing of sexuality and the prevention of venereal disease

Sex in Education Edward Hammond Clarke, 1873 *The Church and Sex Education*

David Rudolph Belgum, 1967 **Good Sex** Raymond A. Belliotti, 1993 Rules about sexuality written and unwritten have existed in every culture as have disagreements over what is and isn t acceptable Must morally permissible sex have only one function Must it be heterosexual Must it occur within the confines of the institution of marriage Must it be accompanied by

requisite emotions such as love and intimacy *Sex Education and the Teen-ager* Seymour M. Farber, Roger H. L. Wilson, 1967 **Sex-education** Maurice Alpheus Bigelow, 1916 **Sex Ed is in Session** Mary Jo Podgurski, 2020-03-03

If you're an adult seeking connection with young people, this book is for you. Teaching over a quarter million young people sex education, Dr. Mary Jo Podgurski shares her own life experiences and her work serving young people to help adults communicate with the young people they know. Our evolving times call us to be actively present in the lives of young people; this book shows us how. *Sex Ed is in Session* is more than learning how to talk about sex and other tough topics with young people; it's a guide on how to respect young people, listen to them, and create a safe environment where young people can learn and thrive. Dr. Mary Jo's faith in young people and her hope for the future will inspire others to connect. **Risky Lessons** Jessica Fields, 2008-06-03

Curricula in U.S. public schools are often the focus of heated debate, and few subjects spark more controversy than sex education. While conservatives argue that sexual abstinence should be the only message, liberals counter that an approach that provides comprehensive instruction and helps young people avoid sexually transmitted diseases and pregnancy is necessary. Caught in the middle are the students and teachers whose everyday experiences of sex education are seldom as clear-cut as either side of the debate suggests. *Risky Lessons* brings readers inside three North Carolina middle schools to show how students and teachers support and subvert the official curriculum through their questions, choices, viewpoints, and reactions. Most important, the book highlights how sex education's formal and informal lessons reflect and reinforce gender, race, and class inequalities. Ultimately critical of both conservative and liberal approaches, Fields argues for curricula that promote social and sexual justice. Sex education's aim need not be limited to reducing the risk of adolescent pregnancies, disease, and sexual activity. Rather, its lessons should help young people to recognize and contend with sexual desires, power, and inequalities. **Sex Ed** Miriam Stoppard, 1997

Your INDISPENSABLE Guide to Your changing feelings and developing body. Dealing with all kinds of situations from breaking the ice to saying no. Safe sex and contraception. Knowing who to talk to and how to get help. **Sex Ed for Grown-Ups** Jonny Hunt, 2021-09-23

When it comes to talking to children and young people about sex and relationships, it is difficult to know what to say. How do you answer their questions? How much is too much? And what is age appropriate? *Sex Ed for Grown-Ups* is an open and honest guide that empowers adults to talk to young people about all things sex and relationships. Written by an independent relationships and sex education consultant, this light-hearted and accessible book encourages grown-ups to think and talk about the topics that scare them the most: from body parts, gender, puberty, and first-time sex to pornography, sexting, and knowing what to do when things go wrong. Full of hints, tips, and first-hand stories, it is a fun, compassionate, and engaging exploration of relationships and sex which will help adults to fully support young people as they develop a healthy view of both sex and themselves. *Sex Ed for Grown-Ups* is essential reading for parents, teachers, youth workers, social workers, and any adult who wants to have well-informed and positive conversations with the children and young people in their lives. **A**

Social Epistemology of Sex Education in the Milwaukee Public Schools: 1910-1960 Judith Rabak Wagener,1991

Too Hot to Handle Jonathan Zimmerman,2015-02-22 The first comprehensive history of sex education around the world Too Hot to Handle is the first truly international history of sex education As Jonathan Zimmerman shows the controversial subject began in the West and spread steadily around the world over the past century As people crossed borders however they joined hands to block sex education from most of their classrooms Examining key players who supported and opposed the sex education movement Zimmerman takes a close look at one of the most debated and divisive hallmarks of modern schooling In the early 1900s the United States pioneered sex education to protect citizens from venereal disease But the American approach came under fire after World War II from European countries which valued individual rights and pleasures over social goals and outcomes In the so called Third World sex education developed in response to the deadly crisis of HIV AIDS By the early 2000s nearly every country in the world addressed sex in its official school curriculum Still Zimmerman demonstrates that sex education never won a sustained foothold parents and religious leaders rejected the subject as an intrusion on their authority while teachers and principals worried that it would undermine their own tenuous powers Despite the overall liberalization of sexual attitudes opposition to sex education increased as the century unfolded Into the present it remains a subject without a home Too Hot to Handle presents the stormy development and dilemmas of school based sex education in the modern world

You're Teaching My Child What? Miriam Grossman,2009-08-04 If you think sex education is still about the birds and the bees think again And it s not about science either In her shocking expos You re Teaching My Child What Dr Miriam Grossman rips back the curtain on sex education today exposing a sordid truth Today s sex ed programs aren t based on science they re based on liberal lies and politically correct propaganda that promote the illusion that children yes children can be sexually free without risk As a psychiatrist and expert on sexual education Dr Grossman cites example after example of schools and organizations whitewashing or omitting altogether crucial information that doesn t fit in with their PC agenda

Instead sex educators only tell teens the facts of life that promote acceptance sexual exploration and experimentation What sex educators call an education scientists would call a scam Sex educators won't tell girls their bodies are biologically and chemically more susceptible to STDs they will only say 3 million girls have a sexually transmitted infection Educators say it's natural for children to explore their sexuality from a young age and only they can decide when it's right to have sex the real truth is neurobiologists say teen brains are not developed to fully reason and weigh consequences especially in the heat of the moment Teens are told condoms vaccines and yearly testing provide adequate protection without being told that studies now show condoms are no match for herpes HPV and gonorrhea In *You're Teaching My Child* What Dr Grossman reveals biological truths that you won't find in today's classrooms *You're Teaching My Child* What is critical reading for parents with teens and instrumental in teaching children the truth about sex **Sex Education in Schools** Kekla Magoon, 2010
