Sidewalks Of My Mind:

We Are Lifebeaters Prophet Allyson Michael D'Espyne, 2019-07-24 In 1998 God the Father God the Son and God the Holy Spirit called Allyson Michael D Espyne to preach the Word In obedience he humbly accepted this calling While walking with the good Lord on this epic journey Allyson was surprised to find everything taken from him including his Cadillac and his fancy clothes God placed on him a spirit of torment and Allyson felt as one wandering in the wilderness This yoke of an ordeal stayed with Allyson for eleven years Through that time Jesus guided him across America showing him all the things that mattered most to His Holy Father One day in the spring of 2010 Jesus removed the spirit of torment and gave Allyson peace Since then Allyson s life has changed from one of wandering to one of vivid clear purpose in bringing the world to full knowledge of the Lord Throughout all his years of trials and tribulations Jesus renewed Allyson s strength and allowed him to bear witness to the pitfalls of humanity Today he answers questions from people of all walks of life through the words of the risen Savior

Sidewalk Tales Arlene Rogers Wilhite, 2020-12-22 Sidewalk Tales is a compilations of seventeen short stories about events that happened in my life and were centered around happening on sidewalks I always wanted to write about my life story because I felt that I could help someone who might have gone through some of the hardships I did and to share the joys I had as a child and student coming up in the streets and schools of Los Angeles California This book could have been called porch tales or school tales and even life s tales but Side walk Tales came about as I walk along the sidewalks of San Bernardino California and stumped my toe on a rock that lie on a sidewalk pane I noticed names carved in the cement and became interested in what those names meant Why would anyone write their names in cement particularly across from the San Bernardino train station And as my mind began to create stories about those names I began to wonder about the many times Something had happened to me on a sidewalk and I remember saying if only sidewalks could talk like if the fly on the walk could talk what stories could be told and hence the title of my book came to life What made this slab of cement even more exciting to me is when I mentioned it to one of my step daughters and found out that she and her sister knew the guys whose names were engraved in that cement I knew then it was a sign for me to sit down and write my book I had found my approach because I didn t want to write an autobiography or a wellness book but I wanted to write about my life in a way that was for anyone to understand and with the hopes that it would heal someone This

book has been healing for me as a writer who experienced growth from each story held deep within me but I knew it was only through telling my stories would that my healing would come a self healing with a spiritual guidance of some sort and I hope that it is a portal to someone else s wellness for whatever reason is needed Cases Argued and Detrmined in the Circuit Courts of the United States for the Fifth Judicial Circuit ,1876 *In the Streets of Vinegar Hill* Sr. William A James,William James, Sr.,2007-03 William A James Sr has done it again He delves into the emotional side of why Vinegar Hill a 20 acre tract was deemed an unbearable slum and had to be destroyed immediately in 1963 Everything wrong with Charlottesville was blamed on the innocent inhabitants of the Hill When three notorious hoodlums killed a UVA student and Gabe Owens informed on them most of the City Council and the UVA President swung into action They masterminded a plan to demolish the homes and businesses of all Blacks on the Hill for the crimes of one or two people The above were helped along by the actions of three racist police officers who had murdered William Griot to keep him from divulging the secret that they were actually Blacks This novel is intriguing mysterious spiritual and down home soulful all at once In this novel James enters the mind of the reader from page one and does not let him her go *Surviving On The Streets* Ace Backwards,2002-07-01 Ace Backwards gives us our first real foray into the daily life of street people Intended to be written as a how to for anyone contemplating or more likely thrust by circumstances into street life it is an uncensored and candid look at an entirely different world that exists co dependently with the one with which most of us are familiar Ace himself admits that no book can teach you to survive the countless turbulent pitfalls awaiting you on the street each street person s situation is unique However this book offers specific tips on street survival that worked and some that didn t which might be just as valuable for those who could learn from Ace s mistakes For those of us who will never live on the streets this book gives a brutally honest peek into an alien world from the eyes of a native **Cases Argued and Determined in the Circuit Courts of the**
