Unveiling Mysteries In Sexual Intercourse Timothy P. Ngwana, 2009-01-05 Sex education for long has been a taboo subject in our societies. Most parents are always shy to give their children any little information they know about sexual intercourse. Many schools give that which they know but in a wrong way. Instead, they somehow condone to students indulging in sexual intercourse as an adventure. The church that could give the truth gives it poorly. This lack of communication has given the enemy the opportunity to manipulate people through sex that leads to their doom. I say lack of communication because despite the education many have acquired so far, sexually related diseases and disasters have led and are still leading many people quickly to their graves, and many married couples do not enjoy God's ordained purpose of sexual intercourse in their homes. We cannot afford to ignore this, knowing that sex is one of the fundamental issues of life. Amongst the ten major stimulus of the body, scientifically it has been proven that sexual drive is the greatest. Due to too many sexual disasters in our societies today, many people may ask why is it that God created sexual intercourse? Let me tell you. Any thing created by God is for the good of man but only becomes bad when misused. Through this book, I will attempt to wipe away indulgence in ignorance from you by unveiling God's purpose for sexual intercourse. There is a mystery about sexual intercourse that many people have not yet known. God says my people are destroyed for lack of knowledge. Reading this book will clear that ignorance and you will not enter into sexual activities for the sake of adventure or experiment. You will also know the consequences of wrong sexual relationships and the solutions to liberate yourself if you are in such bondages. This book is a product of many years of experience and research.

**Creating a Christian Lifestyle** Carl Koch, 2000-09-16 The accompanying teaching manual fully supports the student textbook and includes prayers, prayer services, review questions, and answers, student activities, discussion questions, role play situations, suggestions for interviews and guest speakers, student handouts, and much more.

**Contemplating Unification Thought** Jennifer P. Tanabe, 2013-01-14 A series of reflections on the basic theories of Unification Thought, the philosophical system developed by Sang Hun Lee. Unification Thought itself is derived from the revelations received by Sun Myung Moon and systematized and applied to the traditional fields of philosophy in a novel and intriguing way. Part 1 of this volume contains discussions of these ideas in the context of

critical analyses by a variety of scholars The second part contains discussions of how these ideas may be applied to issues that we face in our everyday lives Diagrams illustrating key ideas are also included

**Introduction** Lee Alexander Stone, 1927 *Reconstructing Sexual Ethics* Eady Jay, 2025-10-01 Deconstructing purity culture and reconstructing sexual ethics is essential to the survival of the Christian religion When statistics tell us that approximately 90% of Americans have premarital sex and 87% of Australians believe premarital sex is morally acceptable why do many Christian organizations still promote purity culture It clearly does not work If we are going to talk about healthy sexual expression loving relationships and how to navigate consent we need to do so realistically Reconstructing Sexual Ethics opens up deeply honest and authentic conversations around topics like masturbation pornography consent rape contraception abortion homophobia and queer affirmation exploring how the author has evolved in these and many other areas and challenging the church to do the same Part memoir and part manifesto this book reframes Christian sexual ethics in profoundly important ways elevating the love and grace of God above Evangelical purity culture It has the power to radically transform conversations around various aspects of our sexuality within the Christian religion and broader society Endorsements Reconstructing Sexual Ethics is a courageous compassionate and deeply needed work With honesty theological depth and a commitment to love and justice Eady Jay dismantles harmful purity culture teachings and charts a healthier grace filled path forward This book gives voice to those who have long wrestled with shame and silence and it offers a vision of sexuality that is life giving liberating and faithful Rev Brandan Robertson author of *Queer Christian Reclaiming the Bible our Faith and our Place at the Table* Eady Jay goes there She transparently and bravely deconstructs and breaks down the oppressive forces of puritanical culture that she was raised with and that are still embedded in mainstream culture today You may or may not agree with everything she has written but we are all better for it Why Because exploring the relationship between faith and sexuality serves to liberate us from centuries of our joy being suppressed and our sexuality being oppressed She writes with abundant grace keen insights and a clear heart for Christ aiming to reform our relationship with our bodies one another and God I have no doubt that her words will illuminate others on a similar journey Chantal McKinney author of *Following Jesus Beyond Church Walls* This is a book I have always wanted to write and Eady Jay has done it better Gripping accessible and humble in its wrestling with the Scripture tradition and ordinary life her story welcomes readers across the spectrum of faith and sexuality to find inspiration challenge and even affirming echoes of their own experiences Vulnerability and courage write themselves across every page in the unanswered questions honest explorations and uncertain steps that define a journey we all face in learning how to more fully embody the truth we see about God in our diverse expressions of sexuality Dr Kevin Jenson theologian and author of *Sacred not Sinful A New Christian Ethic* Reconstructing Sexual Ethics is a refreshingly frank yet deeply pastoral reimagining of Christian sexual ethics It affirms the essential dynamics of queerness gender equity and consent offering clarity and compassion for those seeking a more just and loving vision of sexuality Alongside other voices that deepen

intersectionality and expand its scope it is an important and thought provoking resource that I highly recommend Jamie Arpin Ricci founder of The Rainbow Well Eady Jay has given us something remarkable in *Reconstructing Sexual Ethics* With honesty and courage she speaks directly to those who have deconstructed some or all of their faith weaving together deeply personal stories with a thoughtful and robust theological vision The result is an invitation into a sexual ethic free from the harmful rhetoric of purity culture and grounded instead in freedom dignity and grace Jessica Vanderwyngaard Producer of *I Survived I Kissed Dating Goodbye* and the *Where Do We Go From Here* Podcast      *Unification Ethics of True Love* Akifumi Otani,2013-02-13 In this book critique and counterproposal are given to Freudianism Freudian Leftist s theory poststructuralism postfeminism and to queer theory which are the foundation of today s sex liberation theories based on Unification Thought which was advocated by Reverend Sun Myung Moon      **Catalogue** Peabody Museum of Archaeology and Ethnology. Library,1963      **The Malevolent Eye** Pierre Bettez Gravel,1995 The Evil Eye is one of the most wide ranging systems of beliefs in the world and in history It is more widespread than the belief in one God Yet it is misunderstood and remains rather puzzling and mysterious An explanation of its origins is given here by focusing on the meaning of the eye as symbol rather than on defining the Evil Eye as a problem of vision and gaze As symbol it is presumed to have its roots in pervasive fertility rituals dating back to prehistory The very idea of fertility is the beginning and the end of survival in all subsistence societies This pervasive obsession with production and reproduction not only characterized prehistory and the preindustrial world but has persisted with important modifications into the world of money markets while at the same time retaining the ancient symbols The eye is one such symbol      **Catalogue: Subjects** Peabody Museum of Archaeology and Ethnology.
