## **Sexual Gerrymander:**

The Sexual Gerrymander Jocelynn A. Scutt, 1994 Jocelynn Scutt's insightful analyses of history politics and economics pervade this book Writing across the scholarship on women she brings to the fore the social and political gerrymander women face whether it be in the areas of work power and public recognition or the realms of domestic violence rape pornography prostitution or structural sexism *Beauty, Women's Bodies and the Law* Jocelynn A. Scutt, 2020-11-17 What makes a woman's body beautiful Plastic surgery cosmetic surgery and non surgical interventions such as Botox are changing women's bodies physically and affecting cultural notions and expectations of what it means to be a woman Yet where does the law stand Is the renovation of women's bodies legal This book explores a range of topics including whether shape changing by surgical and non surgical means is really what women want the question of legal intervention when operations injections and other methods go wrong the impact of consent determinations on whether women can or cannot freely seek changes to their body structure and the role which culture and social expectations play in women's decision making Taking a legal perspective on the vast range of beauty interventions available to women Scutt discusses women's perceptions of body and beauty pressures on women to conform to idealised notions of the perfect woman's body and outcomes of legal actions including those taken by individual women who are unhappy with results as well as those launched against companies trading in products advertised as safe and for women's benefit *Beauty Women's Bodies and the Law* will appeal to readers with an interest in women's and gender studies law and cultural studies **The Boundaries of Desire** Eric Berkowitz, 2015-08-01 The act of reproduction and its variants never change much but our ideas about the meaning of sex are in constant flux Switch a decade cross a border or traverse class lines and the harmless pleasures of one group become the gravest crimes in another Combining meticulous research and lively storytelling *The Boundaries of Desire* traces the fast moving bloodsport of sex law over the past century and challenges our most cherished notions about family power gender and identity Starting when courts censored birth control information as pornography and let men rape their wives and continuing through the sexual revolution and into the present day when rape gay rights sex trafficking and sex on the internet saturate the news Berkowitz shows how the law has remained out of synch with the convulsive changes in sexual morality By focusing on the stories of real people Berkowitz adds a compelling human element to what might otherwise be faceless legal battles The law is made by people after all and nothing sparks intolerance on the left and right more than sex Ultimately Berkowitz shows the emptiness of sanctimonious condemnation and argues that sexual questions are too subtle and volatile for simple catch all solutions *Sexual Violence and the Law in Japan* Catherine Burns, 2013-04-15 This book provides a detailed examination of judicial decision making in Japanese cases involving sexual violence It describes the culture of eroticised violence in Japan which sees the feminine body as culpable and the legal system which encourages homogeneity and conformity in decision making and shows how the legal constraints confronting women claiming sexual

assaults are enormous It includes analysis of specific case studies and a discussion of recent moves to address the problem

Women and The Magna Carta Jocelyne Scutt,2016-04-30 On the eight hundredth anniversary of the Magna Carta Women and the Magna Carta investigates what the charter meant for women s rights and freedoms from an historical and legal perspective **Court Licensed Abuse** S. Caroline Taylor,2004 This book is based on award winning research that analyzes transcripts of intrafamilial child sexual abuse trials Building on the contemporary focus of legal trials as hegemonic sites of storytelling from the perspectives of dominant interest groups the argument is developed in three steps The first documents the development of a de facto relationship between law and psychiatry that simultaneously silences and blames victims of sexual violence and advances a critique of law as narrative The second presents a detailed critical feminist reading of six trials that are presented as textual case studies These show the legal mechanisms through which victim survivor s accounts of abuse are transmuted into forms that facilitate the legal and theoretical acquittal of the alleged abuser and replicates at symbolic and structural levels those power relations inherent in the original abuse The final step in the argument analyzes and synthesizes the structural and thematic patterns in the case studies to show how trials enact a narrative template that maintain a patriarchal status quo around intrafamilial child sexual abuse Attention Antony Ward,2004-11 What is attention and what is the best way to understand it Taking its cue from this key question this book presents a detailed overview of cognitive neuropsychological and connectionist methodologies in attention research

**Womanspeak** ,1991 **Women's Encounters with Violence** Sandra Cook,Judith Bessant,1997-07-22 The issue of violence against women in countries around the world continues to receive increasing public media political and scholarly attention While research findings in Women s Encounters of Violence in Australia are framed within a specific perspective they extend beyond national boundaries to provide a critical analysis needed to change political and social policies worldwide Editors Sandy Cook and Judith Bessant introduce the history of violence in Australia and examine how culturally embedded laws and customs have acted like locks on women s oppression In addition to culture specific topics such as the injustices suffered by Australian Aboriginal and Torres Strait Islander women the contributors also explore issues that cross cultural boundaries including violence against women with disabilities homeless women and lesbians Promoting a crucial international context to this pervasive problem Women s Encounters of Violence in Australia proves an excellent supplemental text for students as well as an accessible and timely resource for a broad range of professionals in counseling social work health care and law and faculty in sociology public policy and women s studies **Here We Come, Ready Or Not!** Jane Gardiner,1998 Feminist Periodicals ,1997 **The Cumulative Book Index** ,1996 A world list of books in the English language **Australian Feminism** Barbara Caine,Moirra Gatens,1998 The distinctive features of Australian feminism including diversity engagement with the state openness to new ideas and connections with ideas and developments overseas are fully explored in this major new encyclopedic reference book *Who's who in Australia* ,2007 **Challenging**

**Violence in Schools** Martin Mills, 2001 This book explores the relationship between violence and masculinity within schools. There is a clear need to explore this relationship. A substantial amount of evidence exists which demonstrates how boys are the major perpetrators of violence in schools from extreme acts of violence such as school shootings in the US to more common forms of schoolyard bullying and that both girls and boys are their victims. The book suggests that violence has been masculinized in such a way that boys often perpetrate violence as a means of demonstrating their perception of what counts as a valued form of masculinity. This masculinization of violence has often meant that girls experience violence from boys who are seeking to demonstrate their superiority over girls and it has also meant that some boys often experience violence due to their non conformity to dominant images of masculinity. In order to support these arguments the book draws on extensive interview data collected from boys and teachers who were involved in anti violence programmes in their schools. Feminist Bookstore News, 1994      **ANZJS**, 1995      **Bookbuyers' Reference Book**, 1993      **APAIS, Australian Public Affairs Information Service**, 1996 Vol for 1963 includes section Current Australian serials a subject list      Compliance and Regulation in the International Financial Services Industry Patrick Callioni, 2008 This book provides detailed guidance for those responsible for designing and applying compliance regimes in companies.
