Sexuality Learning Difficulties And Doing Whats Right:

Sexuality, Learning Difficulties and Doing What's Right Gavin Fairbairn, Denis Rowley, Maggie Bowen, 2013-10-31
This book has resulted from the author's awareness of the difficulties that professionals and parents face in accepting the sexuality of the people with learning disabilities with whom they live and work. It has been written at a time when discussion of such difficulties and awareness of the prevalence of the sexual abuse of people with learning disabilities is becoming more and more common. Though they are difficult and distasteful at times, this analysis is stimulating, provocative and shocking.
