Myelin Shackles and the Iron Horse D. M. Sommo, 2015-01-23 Myelin Shackles and the Iron Horse is a real life story about my mother Josephine fondly known to those who loved her as Babe To some she might have been considered to be just an invisible person She never held a title and she didn't have a fancy education She never worked in a high paying job She surpassed that mundane stuff early in her life She held heaven in her hands and was glad to give it out to anyone who wanted a piece of it Read about this incredible human being and the victories that she won Babe made so many lives a whole lot better She mended the spiritually broken and healed so many deep emotional scars too many to count No two people on earth share the same story but in this

story there is something for everyone to share no matter who you are or where you fall in the scheme of things It doesn't matter what religion you follow or what you choose to believe Babe respected the choices and differences of all people
