Nielson, 2015-07-15 When sixteen year old Sadelyn Hanson washes up on the shores of Windwaithe Island her beauty and the strange marks on her wrist make superstitious locals suspect she is a mermaid Feigning amnesia Sade hides a far worse secret she was sailing to her own murder trial when she was thrown overboard by the real killer the cunning and cruel Captain Westwood Sade's quiet effort to rebuild her life on the island is threatened when she meets an actual young merman Unable to speak his language Sade still longs for the warm companionship he offers despite the locals dire legends about merfolk and their dark magic But her confused feelings for the impossible boy become the least of her problems when Captain Westwood's ship docks at Windwaithe With nowhere to escape Sade must trust in the one person who doesn't fear the merfolk A woman who had dealings with them herself years ago
