down there Turbo A sexy babe with muscles training and ability A guy with a laser sword a giant ancient warriors This has it all You did it again dude What a great story J D King Strong start OMG love the cover The description in the book of the girl and her outfit and why it s so scanty is believable and impressive If I hadn t seen the cover pic I think I would have pictured the same girl Anymous Goodreads Overall I really liked this book though I can only make it through one or two battle scenes in a single sitting probably why it took me a while to read the story The characters are charismatic and their banter is humorous I enjoyed the magical elements and the hints at a greater history Patricia Hamill on Goodreads The fight scenes are well described with great details this is definitely R L Kiser s strength No reader would complain that he or she couldn t imagine the scenes vividly Nonetheless there are times when things are a little too convenient in the plot department Character development is solid although not the strongest compared to some of Kiser s books that I ve read before Yet it s all justifiable as it s such a wild adventure Overall it is a book that would satisfy fantasy and adventure fans alike it s action packed and a fast read That said The Prophecy of Tara is strictly for mature adults due to some parts of the story that are not suited for younger readers Lit Amri for Readers Favorite
