Shadows Of Regret:

Shadows of Regret Ross Greenwood, 2019-01-06 From the 1 bestselling author of *Fifty Years of Fear* **SHADOWS OF REGRET** is the unforgettable story of a woman's struggle to rejoin society. Katie committed a terrible crime. Sixteen years was the price she had to pay. Once released from prison, she finds the world has changed. But Katie is a survivor. Isolated and alone, she struggles to make sense of her new life. Starting again isn't easy, especially after what she's done. Despite not feeling free or safe, Katie overcomes her fears and confronts the future. Although history won't remain forgotten, gradually memories of the past are revealed. When Katie finally exposes the awful truth and sees there are others who share the blame, she must choose her path. Will she seek redemption or will she take revenge? Gripping to the extent that it's almost mesmerising, I fell in love with this book from page one and couldn't put it down. The whole thing was just perfect. She is a strong woman shaped by her past experiences and her time in jail. Her story is one that I did not want to end. Wow! A page-turner. Might even be my book of the year and it's only January. This is another captivating read. Even knowing her crime, I was still rooting for her. Great story line with fabulous characters. I absolutely loved this book and found the story to be well written and kept my interest all the way through. A great mix of crime, suspense and drama. I honestly recommend this book and I can't wait to read more of Ross Greenwood's work. This was a book full of fast-paced action, excitement and many twists and thrilling turns. I rooted for Katie all the time. The author, through superb writing, astute characterisation and a fascinating plot, weaves us into her world and makes us wonder what we would do if we were forced to walk in her unfortunate shoes. If you are looking for a read that will draw you into the underbelly of a British landscape and will not let you surface until the last page, I highly recommend this addictive read. *Shadows Of Regret* is hands down the author's best book yet. I read it in one sitting as I was so engrossed in Katie's story. A dark and intense read; you won't be able to put it down. As the story progressed, I began to really root for her and admired her for how strong of a woman she becomes. By the end, I had complete empathy for her. This isn't just a story of revenge and redemption; it's a journey of learning to live, hope and independence. I would definitely recommend this to any crime fans. Easy 5-star read. *Shadows of Regret* is a powerful and poignant story. I have to say that in spite of her past, I warmed to her a great deal. Wow! The characters of this book were so animated and real. If you enjoyed Eleanor Oliphant's journey but prefer your stories darker, this is perfect for you. A fabulous read and one I have recommended to friends whom I know love this genre. An easy five-star review. Real-life characters that made me laugh and cry. Beautifully told. Written like a true story. I pray it's not. I found all of the characters completely believable and became sucked into their world. I was fully invested in Katie's life and really didn't want this book to end. Praise for Ross's writing. I've read all three books in the trilogy over the last two days and found them an enthralling read. This guy's an incredible author. I enjoy reading this author's work as the stories, whilst fiction, do have a ring of truth to them. There are writers, good writers, and ones that have the power of words to captivate you in an instant. Ross has this in spades. [Out of the Shadows, Or, Trial and Triumph](#) Ella Giles
