Shadows On The Darker Side:

Shadow Work Book 2: Facing & Embracing the Dark Side of Your Soul Kelly Wallace, 2021-10-20 Where there's light there are shadows Turning your back on your shadow doesn't make it disappear It's still there and always will be because it's part of you It's far better to face it and embrace it In doing so you'll find the happiness power and success you've been searching for This is my second book on shadow work and within these pages we'll dig in deeper cover more ground and do more work that leads to ultimate healing and freedom I'll show you how to view your shadow traits differently integrate them and use them as a powerful force that can help you in life rather than holding you back It's not about fixing what's broken but shedding light on those dark parts and understanding every aspect of who you truly are Eventually by accepting those less than perfect aspects of your personality you'll be living life as your authentic self And let me tell you it feels amazing I'll be honest shadow work is not easy nor is it an overnight fix Many people give up far too soon After all it can be overwhelming when faced with all of your demons and dirty laundry so to speak That's why I wrote these books I don't want you to go down this road alone I've been doing my own shadow work for a long time now and have helped many clients through their journey as well Let me walk with you as you face and embrace your shadows

Shadow Work Book 1: Understanding and Making Peace With Your Darker Side Kelly Wallace, 2021-01-14 Discover the hidden forces that run and ruin your life We all have a darker side even if we're not aware of it or don't want to believe it When you ignore this shadow though it gets bigger and stronger and eventually starts making all of your decisions for you You might think that you're consciously directing your life but you aren't In this book *Shadow Work Understanding And Making Peace With Your Darker Side* I want to show you how you can work on healing your shadow self rather than hiding from it When I refer to your darker side or shadow self I'm referring to the anger fear sadness rejection shame denial and embarrassment that we all stuff down inside Why do we do this Because we're taught from a young age that these feelings aren't acceptable so we go through life pasting on a false front and adding more layers to the shadow within We then project onto others what we unconsciously view as faults within ourselves and the more regret pain and suffering we face To change all of that you need to discover why your shadow took up residence in the first place and all of the experiences that have added to its strength over the years then work on resolving them Soon you'll be living the life you were meant to live by embracing those darker parts and making your shadow work with you rather than against you Whether you've struggled with money weight love or just about anything else after dissolving those shadows within you should notice your life changing in both small and dramatic ways You'll attract more positive people and better opportunities Life will be happier smoother and far more abundant [Among the Shadows](#)
