Shadows Burning:

Shadow of the Knight Matt Heppe, 2015-12-28 Enna daughter of Prince Morin and Hadde of Landomere is forced to emerge from hiding when powerful undead ravage her home Orlos the young spiridus is tormented by dreams of the massacre of his race His discovery of a mysterious tomb pulls him into a plot to overthrow a queen Telea a Belenese healer brings tidings of great danger to Salador The fate of the world balances on her words Placing John Haines James Perrin Warren, 2017-02-15 John Haines arrived in Alaska fresh out of the Navy in 1947 and established a homestead seventy miles southeast of Fairbanks He stayed there nearly twenty five years learning to live off the country hunting trapping fishing gathering berries and growing vegetables Those years formed him as a writer the interior of Alaska and especially its boreal forest marking his poetry and prose and helping him find his unique voice Placing John Haines the first book length study of his work tells the story of those years but also of his later itinerant life as his success as a writer led him to hold fellowships and teach at universities across the country James Perrin Warren draws out the contradictions inherent in that biography that this poet so indelibly associated with place and authentic belonging spent decades in motion and also sets Haines s work in the context of contemporaries like Robert Bly Donald Hall and his close friend Wendell Berry The resulting portrait shows us a poet who was regularly reinventing himself and thereby generating creative tension that fueled his unforgettable work A major study of a sadly neglected master Placing John Haines puts his achievement in compelling context **Without a Shadow** H. J. Reynolds, 2024-04-09 You can only teach your shadow one trick Adlai Bringer remembers going to the desert market with her father The colorful tents the wink of gold and her father s shadow black as night as it moved of its own accord and stole whatever trinket she wanted He called it the Shadow Game After her father disappears Adlai keeps going back to the market determined to find some trace of him and stealing what she can with her shadow Until one day she picks the wrong mark someone who knows her little trick and tries to take her shadow for himself Everything Adlai thought she knew about her shadow is turned upside down and her father s disappearance takes on a new light as she s forced to flee the city or risk being hunted From the desert to the shadow world to even more unlikely places Adlai knows one thing for certain her shadow is a gift worth killing for For readers who enjoy Gods of Jade and Shadow by Silvia Moreno Garcia We Hunt the Flame by Hafsa Faizal The City of Brass by S A Chakraborty and Foundryside by Robert Jackson Bennett *The Shadow Brand* Paul Vanhoutteghem, 2024-08-26 In search of Kailani the next guardian of the chaos portal and the master of shadows Cordelia and her companions embark on a perilous journey deep into the Arachnin Mountains Once there they encounter new enemies and make new friends who lead them to their ultimate destination the colourless Realm of Shadows At first a tunnel of light carves a pathway through that malignant realm keeping Cordelia and her friends safe from its twisted magic But visions of a dark tower beyond the tunnel grow in Cordelia s mind and eventually she must choose between pursuing her vision or sticking with the group Divided and alone they fight countless battles as their bonds of friendship are put to the
