

Shakespeare On The Stage

William Winter

Shakespeare On The Stage :

Making Shakespeare Tiffany Stern, 2004-07-31 This volume offers a lively introduction to the major issues of the stage and print history of the plays and discusses what a Shakespeare play actually is *Shakespeare's Stagecraft* J. L. Styan, 1967-10-02 Introduction to the study of Shakespeare's dramatic craftsmanship **Shakespeare on the Stage** William Winter, 1911 Includes comments on several of Shakespeare's plays Explains how those plays have been represented and describes some of the actors who have been eminent in their performances in the plays **Shakespeare and the Stage** Maurice Jonas, 1918 **Shakespeare's Stage Traffic** Janet Clare, 2014-01-09 Shakespeare's unique status has made critics reluctant to acknowledge the extent to which some of his plays are the outcome of adaptation In Shakespeare's Stage Traffic Janet Clare re-situates Shakespeare's dramaturgy within the flourishing and competitive theatrical trade of the late sixteenth and early seventeenth centuries She demonstrates how Shakespeare worked with materials which had already entered the dramatic tradition and how in the spirit of Renaissance theory he moulded and converted them to his own use The book challenges the critical stance that views the Shakespeare canon as essentially self-contained moves beyond the limitations of generic studies and argues for a more conjoined critical study of early modern plays Each chapter focuses on specific plays and examines the networks of influence exchange and competition which characterised stage traffic between playwrights including Marlowe Jonson and Fletcher Overall the book addresses multiple perspectives relating to authorship and text performance and reception Shakespeare on the Stage Robert Speaight, 1973 This book begins at the Globe Theatre describing performances there and at the Blackfriars as we know or conjecture them to have been from historical documents Eighteenth century tastes were different and the author shows how Shakespeare's plays were adapted and often considerably altered over the following centuries Speaight recreates famous productions from the United States France Italy Germany Russia Hungary Czechoslovakia and Poland **Women and Mobility on Shakespeares Stage** Elizabeth Mazzola, 2017-07-06 Long before the economist Amartya Sen proposed that more than 100 million women were missing lost to disease or neglect kidnapping or forced marriage denied the economic and political security of wages or membership in a larger social order Shakespeare was interested in such women's plight how they were lost and where they might have gone Characters like Shakespeare's Cordelia and Perdita Rosalind and Celia constitute a collection of figures related to the mythical Persephone who famously returns to her mother and the earth each spring only to withdraw from the world each winter when she is recalled to the underworld That women's place is far from home has received little attention from literary scholars however and the story of their fraught relation to domestic space or success outside its bounds is one that hasn't been told Women and Mobility investigates the ways Shakespeare's plays link female characters agency with their mobility and thus represent women's ties to the household as less important than their connections to the larger world outside Female migration is crucial to ideas about what early modern communities must retain and expel in order to carve a shared

history identity and moral framework and in portraying women as sometime daughters who frequently renounce fathers and homelands or queens elsewhere whose links to faraway places are vital to the rebuilding of homes and kingdoms Shakespeare also depicts global space as shared space and the moral world as an international one

SHAKESPEARE ON THE STAGE. BY WILLIAM WINTER. William Winter, 1969 Shakespeare on the Stage (1911) William Winter, 2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

Reading Shakespeare on Stage Herbert R. Coursen, 1995 Reading Shakespeare on Stage offers a straightforward set of criteria whereby anyone from the first time playgoer to the most experienced Shakespearean scholar may evaluate his or her response to a production of one of Shakespeare s scripts This articulation of response is not a by product of going to the theater but a central part of the experience The invitation to response is a function of Shakespeare s stage which was open to the audience on three sides and is incorporated into his scripts through soliloquies asides and references to Shakespeare s stage and his dramaturgy The concept of script as opposed to text makes possible an approach to Shakespeare s plays as plays a function to which their literary quality is subordinate That fact however does not mean that recent critical tendencies are irrelevant to the scripts Feminist and historicist readings of the plays are contextualized in and by the ongoing energy system of production It remains true however that many members of the growing audience for live performances can not determine what may have been strong or weak about a given production The size and shape of the stage and the size of the auditorium for example define what can occur within the given space but few spectators take that crucial factor into account Reading Shakespeare on Stage provides the criteria for evaluation while at the same time admitting that the criteria themselves are subject to debate and that their application emerges from the subjective psychology of perception of individual spectators

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved The Cambridge Bibliography of English Literature Frederick Wilse Bateson, 1940 **Shakespeare on the Stage** William Winter, 1969 *Some Notes on Shakespeare's Stage and Plays* William Poel, 1916 **Shakespeare's Theatre** Hugh Macrae Richmond, 2003-01-01 Shakespeare s Theatre consolidates the author s forty years of experience in studying and staging Shakespeare s plays Under an alphabetical list of relevant terms names and concepts the book reviews current knowledge of the character and operation of theatres in Shakespeare s time with an explanation of their origins Coverage includes the practices of Elizabethan actors and script writers methods of characterization gesture blocking and choreography including music dance and fighting actors rhetorical interaction with audiences and use of costumes stage props and make up The author makes use of scripts and scholarship about original stagings of Shakespeare and suggests how those productions related to modern staging Much of

this material has developed as a result of the recent increased interest in the significance of performance for interpreting Shakespeare including the recovery of the archaeological evidence about the original Rose and Globe Theaters The book contains current bibliographies for each topic and consolidates these in an overall bibliography for Shakespeare and his theaters *Shakespearean Stage Production: Then & Now* Cécile De Banke,1954 **Shakespeariana** ,1887

Shakespeare on the Stage. 2d Series William Winter,1915 **Some Notes on Shakespeare's Stage and Plays (Classic Reprint)** William Poel,2018-02-06 Excerpt from Some Notes on Shakespeare s Stage and Plays The texts are reproduced in extenso and comprise many interesting Biblical liturgical classical papyri and non literary documents of an official or legal character ranging from the third century b c To the sixth century a o About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
