Shakespeare Study Today The Horace Howard Furness Memorial Lectures:

Shakespeare Study Today Horace Howard Furness, 1986 *The Struggle for Shakespeare's Text* Gabriel Egan, 2010-10-21 We know Shakespeare's writings only from imperfectly made early editions from which editors struggle to remove errors The New Bibliography of the early twentieth century refined with technological enhancements in the 1950s and 1960s taught generations of editors how to make sense of the early editions of Shakespeare and use them to make modern editions This book is the first complete history of the ideas that gave this movement its intellectual authority and of the challenges to that authority that emerged in the 1980s and 1990s Working chronologically Egan traces the struggle to wring from the early editions evidence of precisely what Shakespeare wrote The story of another struggle between competing interpretations of the evidence from early editions is told in detail and the consequences for editorial practice are comprehensively surveyed allowing readers to discover just what is at stake when scholars argue about how to edit Shakespeare Shakespeare's Stage Traffic Janet Clare, 2014-01-09 Shakespeare's unique status has made critics reluctant to acknowledge the extent to which some of his plays are the outcome of adaptation In *Shakespeare's Stage Traffic* Janet Clare re-situates Shakespeare's dramaturgy within the flourishing and competitive theatrical trade of the late sixteenth and early seventeenth centuries She demonstrates how Shakespeare worked with materials which had already entered the dramatic tradition and how in the spirit of Renaissance theory he moulded and converted them to his own use The book challenges the critical stance that views the Shakespeare canon as essentially self-contained moves beyond the limitations of generic studies and argues for a more conjoined critical study of early modern plays Each chapter focuses on specific plays and examines the networks of influence exchange and competition which characterised stage traffic between playwrights including Marlowe Jonson and Fletcher Overall the book addresses multiple perspectives relating to authorship and text performance and reception The Millionaire and the Bard Andrea Mays, 2015-05-12 The miraculous and romantic story of Shakespeare's First Folio and of the American industrialist whose thrilling pursuit of the book became a lifelong obsession Mays's narrative is so fast moving and peppered with such fascinating detail it almost reads like a thriller Entertainment Weekly Grade A When Shakespeare died in 1616 half of his plays died with him No one not even their author believed that his writings would last In 1623 seven years after his death Shakespeare's business partners companions and fellow actors gathered copies of his plays and manuscripts and published thirty six of them This massive book the First Folio was intended as a memorial to their deceased friend They could not have known that it would become one of the most important books ever published in the English language Over two and a half centuries later a young man fresh out of law school Henry Folger bought a book at auction a later 1685 edition Fourth Folio for 107 50 It was the beginning of an obsession that would consume the rest of his life Folger rose to be president of Standard Oil and he used his fortune to create the greatest Shakespeare collection in the world By the time he died Folger owned more First Folios than anyone and had founded the

Folger Shakespeare Library where his collection still resides In *The Millionaire and the Bard* Andrea Mays spins the tale of Shakespeare and of his collector of the genius whose work we nearly lost the men who had the foresight to preserve it and the millionaire who centuries later was consumed by his obsession with it Effortless in its unadorned storytelling and exacting in its research this is a page turning detective story Publishers Weekly Romney James A. Butler,2010-11-01 Romney is the best fictional portrayal of Gilded Age Philadelphia brilliantly capturing Wister s vision of old money aristocratic society gasping its last before the onrushing vulgarity of the nouveaux riches Published for the first time is the complete fragment of Romney together with two of his other unpublished Philadelphia works **Shakespeare's First Folio** Emma Smith,2016-03-24 This is a biography of a book the first collected edition of Shakespeare s plays printed in 1623 and known as the First Folio It begins with the story of its first purchaser in London in December 1623 and goes on to explore the ways people have interacted with this iconic book over the four hundred years of its history Throughout the stress is on what we can learn from individual copies now spread around the world about their eventful lives From ink blots to pet paws from annotations to wineglass rings First Folios teem with evidence of its place in different contexts with different priorities This study offers new ways to understand Shakespeare s reception and the history of the book Unlike previous scholarly investigations of the First Folio it is not concerned with the discussions of how the book came into being the provenance of its texts or the technicalities of its production Instead it reanimates in narrative style the histories of this book paying close attention to the details of individual copies now located around the world their bindings marginalia general condition sales history and location to discuss five major themes owning reading decoding performing and perfecting This is a history of the book that consolidated Shakespeare s posthumous reputation a reception history and a study of interactions between owners readers forgers collectors actors scholars booksellers and the book through which we understand and recognise Shakespeare *Shakespeare Quarterly* ,1989 Provides image and full text online access to back issues Consult the online table of contents for specific holdings The Development of Shakespeare's Theater John Astington,1992 The remarkable flowering of the English Renaissance theater began in the late 1580s but it was preceded by a long period which saw the founding of an acting profession and the building of permanent playhouses The establishment and development of theatrical culture actors stages and theater buildings so crucial to the emergence of mature drama form the subject of this book The nine contributors address various aspects of the history of the Tudor and Stuart stage particularly in the light of recent research and from new scholarly perspectives The subjects covered include the survival of companies of actors the temporary playing conditions which provided the most enduring and widespread theater throughout the sixteenth and seventeenth centuries the design of London playhouses and their stages and the uses to which they were put by dramatists and actors in staging plays **Shakespeare Jahrbuch** ,1990 Shakespeare and Shakespeareana Meisei Daigaku. Toshokan,1993 *Die Shakespeare-Illustration (1594-2000): Text* Hildegard Hammerschmidt-Hummel,2003 The Ottoneum Theater Graham

Cleaver Adams, 1993 **The Penn Library Collections at 250** University of Pennsylvania. Library, 2000

Editionsphilologie Herbert Kraft, Jürgen Gregolin, 1990 Critical Essays on Shakespeare's Hamlet David Scott

Kastan, 1995 Critical essays about William Shakespeare's Hamlet **Punctuation and Its Dramatic Value in**

Shakespearean Drama Anthony Graham-White, 1995 Third most Elizabethan plays survive in printed copies playwrights usually had no involvement in their printing and one of the printer's editorial functions was to update the punctuation Even if we find it expressive we can only infer that its dramatic pointing is that of the author **Shakespeare's Playhouses**

Herbert Berry, 1987 Essays discuss the Theater in Shoreditch the Blackfriars and the two Globe theaters and provide information about their background and operation MLA International Bibliography of Books and Articles on the Modern Languages and Literatures , 1986 Vols for 1969 include ACTFL annual bibliography of books and articles on pedagogy in foreign languages 1969 Studies in the Literary Imagination , 1990 Ambrosia in an Earthen Vessel Sara Jayne

Steen, 1993 The author has gathered together disparate documents from major research collections relating to the Jacobean playwright Thomas Middleton and imposed an accessible system by which the earliest or best available text is accompanied by a full bibliographical citation and contextual introduction
