CAMBRIDGE

Shakespeare And Republicanism

**David Armitage, Conal Condren, Andrew
Fitzmaurice**

Shakespeare And Republicanism:

Shakespeare and Republicanism Andrew Hadfield, 2005 *Shakespeare's Fugitive Politics* Thomas P. Anderson, 2016-08-16 Establishes Shakespeares plays as some of the periods most speculative political literature Shakespeares *Fugitive Politics* makes the case that Shakespeares plays reveal there is always something more terrifying to the king than rebellion The book seeks to move beyond the presumption that political evolution leads ineluctably away from autocracy and aristocracy toward republicanism and popular sovereignty Instead it argues for affirmative politics in Shakespeare the process of transforming scenes of negative affect into political resistance Shakespeares *Fugitive Politics* makes the case that Shakespeares affirmative politics appears not in his dialectical opposition to sovereignty absolutism or tyranny nor is his affirmative politics an inchoate form of republicanism on its way to becoming politically viable Instead this study claims that it is in the place of dissensus that the expression of the eventful condition of affirmative politics takes place a fugitive expression that the sovereign order always wishes to shut down Key Features Promotes a new understanding of fugitive democracy Establishes the presence of a form of alternative politics in early modern drama articulated through the contours of theories of sovereignty Explores how the parameters of contemporary radical politics take shape in major Shakespeare plays including *Coriolanus* *King John* *Henry V* *Titus Andronicus* *The Winters Tale* and *Julius Caesar*

Reading the Roman Republic in Early Modern England Freya Cox Jensen, 2012-08-03 Placing the reading of history in its cultural and educational context and examining the processes by which ideas about ancient Rome circulated this study provides the first assessment of the significance of Roman history broadly conceived in early modern England

Shakespeare's English and Roman History Plays Paul N. Siegel, 1986 Examines Shakespearean drama s Christian overtones explaining why they have been ignored for so long and how those overtones can influence one s interpretation of Shakespeare s work Shakespeare's Rome, Republic and Empire Paul Arthur Cantor, 1976 Shakespeare's Extremes Julián Jiménez Heffernan, 2015-08-18 Shakespeare s *Extremes* is a controversial intervention in current critical debates on the status of the human in Shakespeare s work By focusing on three flagrant cases of human exorbitance *Edgar* *Caliban* and *Julius Caesar* this book seeks to limn out the domain of the human proper in Shakespeare **System of Shakespeare's Dramas** Denton Jaques Snider, 1877 Marlowe's Republican Authorship Patrick Cheney, 2009-02-15 This book argues broadly that any historical narrative about republicanism needs to place Marlowe at the front of its genealogy and that his interest in republican ideals is sustained from the beginning to the end of his meteoric career More specifically this study will nonetheless argue that it is difficult to discern a clear republican form of government in Marlowe s works What we can discern is republican representation the author s representational foregrounding of his own republican frame of art This study is the first to situate the complex Marlowe corpus within the context of the advent of English Republicanism

Republicanism Vs. Grantism Charles Sumner, 1872 *Republicanism vs. Grantism ... Speech ... delivered ... May 31,*

1872 Charles SUMNER,1872 **Wordsworth's Revisionary Republicanism, 1972-1816** Timothy P. Enright,2006

Shakespeare's Political Pageant Joseph Alulis,Vickie Sullivan,1996-09-05 Literary works through their very personal means of characterization reveal the direct effect of politics on individuals in a way a political treatise cannot The distinguished contributors to this volume share the belief that Shakespeare is the author who most effectively sets forth the multifarious pageant of politics Shakespeare s rich canon presents monarchy and republic tyrant and king thinker and soldier and Christian and pagan The twelve essays in Shakespeare s Political Pageant discuss a broad range of Shakespeare s dramatic poetry from the perspective of the political theorist This innovative book demonstrates the immense value of seeing Shakespeare s plays in the context of political philosophy It will be an important source for students and scholars of both political science and literature *Shakespeare's Monarchies* Constance Jordan,1997 The author of this text explores how Shakespeare through his romances contributed to the cultural debates over the nature of monarchy in Jacobean England Stressing the differences between absolutist and constitutionalist principles of rule Jordan demonstrates Shakespeare s investment in the idea that a head of state should be responsive to law and not be governed by his own unbridled will Conflicts within royal courts which occur in the romances show wives daughters and servants resisting tyrannical husbands fathers masters and monarchs by relying on the authority of conscience Shakespeare and Early Modern Political Thought David Armitage,Conal Condren,Andrew Fitzmaurice,2009-09-10 This is the first collaborative volume to place Shakespeare s works within the landscape of early modern political thought Until recently literary scholars have not generally treated Shakespeare as a participant in the political thought of his time unlike his contemporaries Ben Jonson Edmund Spenser and Philip Sidney At the same time historians of political thought have rarely turned their attention to major works of poetry and drama A distinguished international and interdisciplinary team of contributors examines the full range of Shakespeare s writings in order to challenge conventional interpretations of plays central to the canon such as Hamlet open up novel perspectives on works rarely considered to be political such as the Sonnets and focus on those that have been largely neglected such as The Merry Wives of Windsor The result is a coherent and challenging portrait of Shakespeare s distinctive engagement with the characteristic questions of early modern political thought **Thoughts on Shakespeare's Historical Plays** Albert Stratford George Canning,1884 *Short Studies of Shakespeare's Plots* Cyril Ransome,1890 Originally delivered as popular lectures Pref Hamlet Julius C sar Macbeth King Lear Richard II Othello the Moor of Venice Coriolanus The tempest The Existing Conflict Between Republican Government and Southern Oligarchy Green Berry Raum,1884 Shakespeare's Dramatic Art Hermann Ulrici,L. Dora Schmitz,1876 **Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur** ,2008 *Note of an English Republican on the Muscovite Crusade* Algernon Charles Swinburne,1876
