

B. D. MICHOL AND ALAN SORRE

Shakespeare, Law, and Marriage

JOHN MCGILL BOOKS

Shakespeare Law And Marriage

Sir George Greenwood

Shakespeare Law And Marriage:

Shakespeare, Law, and Marriage B. J. Sokol, Mary Sokol, 2003-12-08 This interdisciplinary study combines legal historical and literary approaches to the practice and theory of marriage in Shakespeare's time. It uses the history of English law and the history of the contexts of law to study a wide range of Shakespeare's plays and poems. The authors approach the legal history of marriage as part of cultural history. The household was viewed as the basic unit of Elizabethan society but many aspects of marriage were controversial and the law relating to marriage was uncertain and confusing leading to bitter disagreements over the proper modes for marriage choice and conduct. The authors point out numerous instances within Shakespeare's plays of the conflict over status, gender relations, property, religious belief and individual autonomy versus community control. By achieving a better understanding of these issues, the book illuminates both Shakespeare's work and his age.

Shakespeare's Law Mark Fortier, 2022-05-30 Shakespeare's Law is a critical overview of law and legal issues within the life, career and works of William Shakespeare as well as those that arise from the endless array of activities that happen today in the name of Shakespeare. Mark Fortier argues that Shakespeare's attitudes to law are complex and not always sanguine; that there exists a deep and perhaps ultimate move beyond law, very different from what a lawyer or legal scholar might recognize. Fortier looks in detail at the legal issues most prominent across Shakespeare's work: status, inheritance, fraud, property, contract, tort, especially slander, evidence, crime, political authority, trials, and the relative value of law and justice. He also includes two detailed case studies of *The Merchant of Venice* and *Measure for Measure*, as well as a chapter looking at law in works by Shakespeare's contemporaries. The book concludes with a chapter on the law as it relates to Shakespeare today. The book shows that the legal issues in Shakespeare are often relevant to issues we face now, and the exploration of law in Shakespeare is as germane today, though in sometimes new ways, as in the past.

Shakespeare's Legal Language B. J. Sokol, Mary Sokol, 2004-12-15 This encyclopedia-style dictionary explores early modern social life, legal thought, and the interactions within Shakespearean drama.
