Sexual Violence Policies Practices And Challenges In The United States And Canada

Rachel S Tattersall

Sexual Violence Policies Practices And Challenges In The United States And Canada:

Violence in Canada Jeffrey Ian Ross, Many people consider Canada particularly in comparison to its southern cousin as a peaceable kingdom However as the historical record demonstrates Canadians have never been a thoroughly non violent people Violence in Canada highlights from an interdisciplinary perspective the major areas and contexts where violence takes place Consisting of thirteen contributions the book forms an indispensable guide to the subject All of the authors are experts in their field many with international reputations and are drawn from the fields of sociology political science history and criminology The foreword by Ted Robert Gurr author of *Violence in America* is followed by an historical analysis of violence on the Canadian western frontier Other scholars describe contemporary violence by and against indigenous peoples women children and the elderly in labor related disputes homicide police and prison violence terrorism and discuss government responses and policy implications Each chapter specifically addresses the sociological and political dimensions of violence The authors make ample use of statistics and empirical research Jeffrey Ian Ross s introduction outlines the sociopolitical dynamics of violence and his summary chapter offers directions for future research When the book was first published in 1995 it was widely praised by scholarly journals and has since become a standard text in the study of violence and modern Canadian cultural studies The book is all the more valuable as its new introduction places its findings in the context of research that has been produced since the original publication *Violence in Canada* will be of interest to sociologists criminologists and political scientists Jeffrey Ian Ross is an associate professor in the Division of Criminology Criminal Justice and Social Policy and fellow with the Center for Comparative and International Law University of Baltimore His work has appeared in many academic journals and chapters in academic texts as well as articles in popular magazines in Canada and the United States He is the author co author editor or co editor of eight books Ted Robert Gurr is Distinguished University Professor at the University of Maryland Among his books are *Why Men Rebel* and *Violence in America*

Violence and Abuse in Society Angela Brownemiller Ph.D.,2012-08-17 Suitable for professionals students and lay readers alike this book provides an immensely informative profoundly moving and remarkably comprehensive look at the range and nature of violence and abuse by and of humans today Angela Browne Miller PhD is editor of this comprehensive and unique set of four volumes containing over 110 chapters from over 130 international experts with backgrounds in behavioral science social science law and medicine as well as researchers practitioners and lay persons with varied specialties These volumes cover the following areas reflected by their titles Volume One Fundamentals Effects and Extremes Volume Two Setting Age Gender and Other Key Elements Volume Three Psychological Ritual Sexual and Trafficking Issues and Volume Four Faces on Intimate Partner Violence This collection looks at the range of violence and abuse we see today conducting a detailed examination against the backdrop of a history of violence and abuse around the globe The works within focus for the most part on violence and abuse taking place outside of war contexts discussing road rage child abuse elder abuse abuse of

women and girls sex slavery violent rituals including female genital cutting abuse within cults domestic violence gun violence and modern problems fueled by technology including cyberbullying and cyberstalking **Violent Crime in North America**

Louis A. Knafla, 2003-12-30 This the nineteenth volume of Criminal Justice History features seven original essays on the history of violent crimes and punishments in North America in the nineteenth and twentieth centuries including a major bibliography on capital punishment and the death penalty in the United States The volume also contains a long book review essay on eleven books dealing with aspects of global terrorism and reviews of eleven individual major works on the history and ideology of crime and criminal justice that have appeared from the end of the 1990s The introduction outlines the issues and themes that are contained in the essays and reviews As in the earlier volumes in this series a comprehensive index identifies all subjects names and places in the volume **Violence in Canada** Jeffrey Ross, 2017-09-29 Many people

consider Canada particularly in comparison to its southern cousin as a peaceable kingdom However as the historical record demonstrates Canadians have never been a thoroughly non violent people Violence in Canada highlights from an interdisciplinary perspective the major areas and contexts where violence takes place Consisting of thirteen contributions the book forms an indispensable guide to the subject All of the authors are experts in their field many with international reputations and are drawn from the fields of sociology political science history and criminology The foreword by Ted Robert Gurr author of Violence in America is followed by an historical analysis of violence on the Canadian western frontier Other scholars describe contemporary violence by and against indigenous peoples women children and the elderly in labor related disputes homicide police and prison violence terrorism and discuss government responses and policy implications Each chapter specifically addresses the sociological and political dimensions of violence The authors make ample use of statistics and empirical research Jeffrey Ian Ross s introduction outlines the sociopolitical dynamics of violence and his summary chapter offers directions for future research When the book was first published in 1995 it was widely praised by scholarly journals and has since become a standard text in the study of violence and modern Canadian cultural studies The book is all the more valuable as its new introduction places its findings in the context of research that has been produced since the original publication Violence in Canada will be of interest to sociologists criminologists and political scientists Jeffrey Ian Ross is an associate professor in the Division of Criminology Criminal Justice and Social Policy and fellow with the Center for Comparative and International Law University of Baltimore His work has appeared in many academic journals and chapters in academic texts as well as articles in popular magazines in Canada and the United States He is the author co author editor or co editor of eight books Ted Robert Gurr is Distinguished University Professor at the University of Maryland Among his books are Why Men Rebel and Violence in America **Early Intervention for Trauma and Traumatic Loss** Brett T. Litz, 2004-01-01 This authoritative volume describes the state of the science of early intervention for trauma and traumatic loss across the lifespan and in a variety of contexts While few would dispute the importance of helping people cope with

severe life stressors important questions remain about how to identify those at risk for chronic problems and which interventions actually facilitate recovery over time Following a review of current knowledge on the predictors and course of acute stress disorder PTSD and traumatic grief the volume presents a range of early intervention models designed for very young children older children and adults Authors examine the empirical literature and recommend evidence based clinical strategies whenever possible while delineating an extensive agenda for future research Also covered are the lessons learned from early intervention with specific populations 9 11 survivors combat veterans emergency services personnel survivors of sexual violence and others

Law's Relations Jennifer Nedelsky, 2011-10-11 Jennifer Nedelsky claims that we must rethink our notion of autonomy rejecting the usual vocabulary of control boundaries and individual rights If we understand that we are fundamentally in relation to others she argues we will recognize that we become autonomous with others

Sexual Violence James F. Hodgson, Debra S. Kelley, 2001-12-30 Drawing on the most recent studies this collection of articles assesses and evaluates current criminal justice responses policies and practices regarding sexual violence in the United States and Canada Focusing on methodological and ideological issues rape law reform criminal justice responses social contexts of sexual assault and community responses authors from the fields of sociology criminal justice law counseling anthropology biology and psychology provide detailed studies of the problems and challenges involved in this very sensitive and important issue The broad perspective provides readers with a comprehensive introduction to the current state of criminal justice responses to sexual assault as well as the changes and progress being made in the area By providing such extensive coverage the volume also offers readers a guide to the very nature and extent of sexual violence and its consequences As we enter the 21st century numerous changes have occurred within the criminal justice system and society's understanding of rape as a crime of violence Significant reforms have emerged in both the United States and Canada in terms of how various institutions respond to the crime of rape and the needs of rape survivors This progress demands an evaluation of the current state of pressing issues regarding the many facets of sexual assault Kelley and Hodgson offer original contributions from both American and Canadian scholars and practitioners from several social science disciplines in an effort to provide a critical assessment of a timely and important issue

Sexual Violence Policies and Sexual Consent Education at Canadian Post-Secondary Institutions D. Scharie Tavcer, Vicky Dobkins, 2023-01-18 This book is the culmination of three years of research into sexual violence policies and sexual consent education at post secondary institutions across Canada The prevalence of sexual violence has not changed in more than 30 years and its reporting to police or school authorities has only waxed and waned over those years In response this book asks what can be done differently to reduce the number of victims and potential perpetrators The book provides an environmental scan of over 120 post secondary institutions PSIs across Canada as well as a deeper analysis of 7 PSIs that also include student and staff experiences and opinions The three year research project employed various phases to capture over 160 student voices and over 20 sexual violence staff and subject

experts Subject experts and students were also involved in reviewing the draft iterations of the proposed sexual consent education module This book delivers readers with a broad brush approach to understanding the landscape of sexual violence prevention and education services at PSIs across Canada It provides a narrowed focus on 7 PSIs where student and staff survey responses and interviews provide positionality in response to the available literature The book concludes with a proposed sexual consent education module including its strengths and limitations as a point of discussion for PSIs to include into their sexual violence prevention education repertoire This book is intended for post secondary audiences in Canada North America and elsewhere for undergraduate and graduate students and faculty staff and administrators where it is crucial to consider ways to address its prevalence and the ways we can incorporate prevention education into our campus communities

Essential Law for Social Work Practice in Canada Cheryl Regehr, Karima Kanani, 2006 Essential Law for Social Work Practice in Canada addresses the need for an up to date hands on legal information guide that social workers can use as they interact with the Canadian federal and provincial legal system It includes a helpful overview of Canadian law and the implications for social workers and a description of the structure of the court system It addresses topics of current and growing importance such as citizenship and refugees human rights family laws child protection health care issues including mental illness and youth criminal justice Other important topics covered include ethics federal and provincial privacy laws and the implications for record keeping and preparing to appear in court A clear writing style is enhanced by a lack of legal jargon and clear definitions where legal terminology is needed

Current Publications in Legal and Related Fields, 2002

West's Encyclopedia of American Law Jeffrey Lehman, Shirelle Phelps, 2005 Provides current information on more than 5 000 legal topics Includes completely revised articles covering important issues biographies definitions of legal terms and more Covers such high profile topics as the Americans with Disabilities Act capital punishment domestic violence gay and lesbian rights and physician assisted suicide

In an Abusive State Kristin Bumiller, 2008-04-25 In an Abusive State puts forth a powerful argument that the feminist campaign to stop sexual violence has entered into a problematic alliance with the neoliberal state Kristin Bumiller chronicles the evolution of this alliance by examining the history of the anti violence campaign the production of cultural images about sexual violence professional discourses on intimate violence and the everyday lives of battered women She also scrutinizes the rhetoric of high profile rape trials and the expansion of feminist concerns about sexual violence into the international human rights arena In the process Bumiller reveals how the feminist fight against sexual violence has been shaped over recent decades by dramatic shifts in welfare policies incarceration rates and the surveillance role of social service bureaucracies Drawing on archival research individual case studies testimonies of rape victims and interviews with battered women Bumiller raises fundamental concerns about the construction of sexual violence as a social problem She describes how placing the issue of sexual violence on the public agenda has polarized gender and race based interests She contends that as the social welfare state has intensified regulation

and control the availability of services for battered women and rape victims has become increasingly linked to their status as victims and their ability to recognize their problems in medical and psychological terms Bumiller suggests that to counteract these tendencies sexual violence should primarily be addressed in the context of communities and in terms of its links to social disadvantage In an Abusive State is an impassioned call for feminists to reflect on how the co optation of their movement by the neoliberal state creates the potential to inadvertently harm impoverished women and support punitive and racially based crime control efforts **New Books on Women and Feminism** ,2002 **Rochester Institute of**

Technology Dane R. Gordon,2007 Rochester Institute of Technology s story now encompasses some 175 years of commitment to higher education Almost uniquely among American universities RIT has focused on educating a skilled workforce to support advancements in the industrialization and modernization of America From its beginnings in 1829 when it harnessed the energy of a young city in upstate New York through stunningly effective mergers and nimble responses to new technologies RIT has evolved into a respected model in innovative higher education In this new and enlarged edition of his original history of RIT 1982 Professor Gordon brings the university s fascinating chronicle up to date RIT has enjoyed tremendous growth over the past 25 years and readers will enjoy anecdotes on student life insights into major initiatives and an objective look at the tough decisions that have guided RIT into the company of the highest ranking academic institutions in the United States Rochester Institute of Technology Industrial Development and Educational Innovation in an American City is of certain interest for urban and technological historians college administrators nationwide and especially RIT s own growing community of students employees supporters and alumni Choice ,2002 Bibliographic Index ,2002 **Social Organization of Law** Austin Sarat,2004 Austin Sarat s The Social Organization of Law Introductory Readings begins with a simple premise law seeks to work in the world to order change and give meaning to society and describes legal processes as socially organized This book connects legal studies to the study of society in two different senses First the readings highlight law s responsiveness to various dimensions of social stratification They also draw attention to the questions of when why and how legal decisions and actions respond to the social characteristics e g race class and gender of those making the decisions as well as those who are subject to them These questions inevitably raise issues of justice and fairness highlighting the moral dimensions of legal life Second Sarat treats law itself as a social organization emphasizing the complex relations between its various component parts e g judges and jurors police and prosecutors appellate courts and trial courts The book examines the traditional subject of professional legal study namely appellate court opinions and describes some of the most pressing controversies of legal interpretation while questioning how those opinions take on meaning in social life Sarat also questions whether those at the top of law s bureaucratic structure effectively control the behavior of others in the legal system s chain of command This anthology provides accessible up to date materials such as readings on terrorism and the challenges it poses to law racial profiling and gay rights juxtaposed to the classics of the field Introductions to each reading along with the

notes and questions written by the author unpack the issues and engage students enabling them to link the material from one chapter to another Additional suggested readings provide stimulus for further inquiry The Social Organization of Law offers students a broad perspective that treats law as a set of institutions and practices combining moral argument distinctive interpretive traditions and the social organization of violence A Challenge for Health Irene McCullough, Canada. Mental Health Division, 1994 *Forthcoming Books* Rose Arny, 2001 **American Book Publishing Record**, 2006
