Sexual Citizen:

Sexual Citizens Brenda Cossman, 2007 This book explores the relationship between sex and belonging in law and popular culture arguing that contemporary citizenship is sexed privatized and self disciplined Former sexual outlaws have challenged their exclusion and are being incorporated into citizenship But as citizenship becomes more sexed it also becomes privatized and self disciplined The author explores these contesting representations of sex and belonging in films television and legal decisions She examines a broad range of subjects from gay men and lesbians pornographers and hip hop artists to women selling vibrators adulterers and single mothers on welfare She observes cultural representations ranging from Queer Eye for the Straight Guy to Dr Phil Sex in the City to Desperate Housewives She reviews appellate court cases on sodomy and same sex marriage national welfare reform and obscenity regulation Finally the author argues that these representations shape the terms of belonging and governance producing good and bad sexual citizens based on the degree to which they abide by the codes of privatized and self disciplined sex

Sexuality and Citizenship Diane Richardson, 2017-09-18 Sexual citizenship has become a key concept in the social sciences It describes the rights and responsibilities of citizens in sexual and intimate life including debates over equal marriage and women s human rights as well as shaping thinking about citizenship more generally But what does it mean in a continually changing political landscape of gender and sexuality In this timely intervention Diane Richardson examines the normative underpinnings and varied critiques of sexual citizenship asking what they mean for its future conceptual and empirical development as well as for political activism Clearly written the book shows how the field of sexuality and citizenship connects to a range of important areas of debate including understandings of nationalism identity neoliberalism equality governmentality individualization colonialism human rights globalization and economic justice Ultimately this book calls for a critical rethink of sexual citizenship Illustrating her argument with examples drawn from across the globe Richardson contends that this is essential if scholars want to understand the sexual politics that made the field of sexuality and citizenship studies what it is today and to enable future analyses of the sexual inequalities that continue to mark the global order

Sexuality, Human Rights, and Public Policy Chima J. Korieh, Elizabeth O. Onogwu, 2019-11-12 Sexuality Human Rights and Public Policy explores the intersection of public policy human rights and sexuality as they relate to inclusion and exclusion across diverse cultural settings It examines how knowledge is formed and experienced at the intersections of culture sexuality race and other axes of identity This volume engages an array of questions including how public policy shapes the conceptualization of sexuality and rights and by extension the phenomena of inclusion and exclusion in contemporary society across the world By evaluating how public discourse is employed to reinscribe differences of gender sexuality and rights of citizens this book provides a comparative analysis of how these processes and dynamics resemble each other or differ cross culturally This book demonstrates that in the realm of sexualities approached from the ideal of human rights as a predominantly Western notion is increasingly challenged by diverse views

and new interpretations of human rights in non Western societies such as Africa and the Middle East *Educating the Gendered Citizen* Madeleine Arnot, 2008-09-29 Globalisation and global human rights are the two major forces in the twenty first century which are likely to shape the sort of learner citizen created by the educational system Schools will be expected to prepare young men and women for national as well as global citizenship Male and female citizens will need to adapt to new social conditions only some of which will encourage gender equality This book offers a unique introduction to the contribution that sociological research on the education of the citizen can make to these national and global debates It brings together for the first time a selection of influential new and previously published papers by Madeleine Arnot on the theme of gender education and citizenship It describes feminist challenges to liberal democracy the gendered construction of the good citizen and citizenship education it explores the implications of social change for the learner citizen and offers alternative gender sensitive models of global citizenship education Reaching right to the heart of current debates the chapters focus on feminist democratic values in education teachers constructions of the gendered citizen European languages of citizenship the inclusion of women s rights into English citizenship textbooks gender struggles for equality in school pedagogy and curriculum the implications of personalised learning for the individualised learner citizen globalisation and the construction of a global ethic for citizenship education It will be an invaluable text for all those interested in citizenship education gender studies sociology of education educational policy studies critical pedagogy and curriculum studies and international or comparative education *The Sexual Citizen* David Bell, Jon Binnie, 2000-12-19 The notion of citizenship with its balancing of rights and responsibilities has become a dominant way of articulating sexual politics today In *The Sexual Citizen* David Bell and Jon Binnie critically explore the notion of sexual citizenship as a way to think through the ever changing political legal social and cultural landscapes of sexuality The book examines sexual citizenship in a number of key sites of contemporary sexual politics the market marriage the military the city the family and focuses on a number of key theoretical debates on sexuality in relation to consumption space and globalization Critiquing existing theories of sexuality and citizenship and drawing on a wide range of theoretical perspectives *The Sexual Citizen* addresses both the promises and limitations of using the discourses of citizenship in the context of contemporary sexual politics *The Sexual Citizen* will be of interest to students and academics in lesbian and gay studies politics legal studies sociology cultural studies and geography *Handbook of Lesbian and Gay Studies* Diane Richardson, Steven Seidman, 2002-11-18 The creation of a new field of lesbian and gay studies over the past thirty years has been a fascinating project This volume brings together key authors in the field in 26 major essays and provides a clear sense of just how much has been achieved It is a guide to the state of the art and invaluable for scholars throughout the world Ken Plummer Professor of Sociology University of Essex and Editor of *Sexualities* This book is unique in lesbian and gay studies From politics to health cyber queers to queer families the review essays in this volume cover all the important bases of GLB history and politics The Introduction is a simple and accessible overview of the changing

Allison,2000 Loma, a Citizen of Venus William Windsor,1897 Good Sex Raymond A. Belliotti,1993 Rules about sexuality written and unwritten have existed in every culture as have disagreements over what is and isn't acceptable Must morally permissible sex have only one function Must it be heterosexual Must it occur within the confines of the institution of marriage Must it be accompanied by requisite emotions such as love and intimacy Final Report to the Governor of the Citizen's Study Committee on Offender Rehabilitation Wisconsin. Citizen's Study Committee on Offender Rehabilitation,1972 Mexico Maria L. Castro,Irene P. Navarro,2009 Mexico's economic political and societal issues have become major points of interest to countries all over the globe Mexico is the second leading market for U S exports after Canada and is the third most important source of U S imports after Canada and China The United States is Mexico's most important customer by far receiving about 80 per cent of Mexico's exports including petroleum automobiles auto parts and winter vegetables and providing about 50 per cent of Mexico's imports The United States is the source of over 60 per cent of foreign investment in Mexico and the primary source of important tourism earnings Mexico is also the leading country in Latin America in terms of U S investment with the total stock of U S investment being about 85 billion in 2006 This book presents in depth analyses of such issues as foreign policy political reform and overall economic developments Good

Citizenship James Edward Hand, 1899 **Victoria University of Wellington Law Review**, 2006 **Queer Futures** David Serlin, 2007-12-20 In this special issue of *Radical History Review* scholars and activists examine the rise of homonormativity a lesbian and gay politics that embraces neoliberal values under the guise of queer sexual liberation Contributors look at the historical forces through which lesbian and gay rights organizations and community advocates align with social conservatives and endorse family oriented formations associated with domestic partnership adoption military service and gender normative social roles Distinguished by its historical approach *Queer Futures* examines homonormativity as a phenomenon that emerged in the United States after World War II and gained traction in the 1960s and 1970s One essay compares Anita Bryant's antigay campaigns in the late 1970s with those of current same sex marriage proponents to show how both focus on the abstract figure of the endangered child Another essay explores how the Gay and Lesbian Alliance Against Defamation's organizational amnesia has shaped its often conservative agenda Other essays include a Marxist reading of the transsexual body an examination of reactionary politics at the core of the movement to repeal the U S military's don't ask don't tell policy and a history of how safe streets patrols in the 1970s and 1980s became opportunities for urban gentrification and community exploitation Contributors Anna M Agathangelou Daniel Bassichis Aaron Belkin Nan Alamilla Boyd Maxime Cervulle Vincent Doyle Roderick A Ferguson Christina Hanhardt Dan Irving Regina Kunzel Patrick McCreery Kevin P Murphy Tavia Nyong'o Jason Ruiz David Serlin Tamara L Spira Susan Stryker Margot D Weiss *Gender Politics* Surya Monro, 2005 New edition of a classic work exploring the philosophical justifications for our penal system A pleasure to read TLS

Constructing Vernacular Culture in the Trans-Caribbean Holger Henke, Karl-Heinz Magister, 2008 *Constructing Vernacular Culture in the Trans Caribbean* traces the contradictory cultural trajectories constructed and reproduced in the fluid diasporic spaces we call the Trans Caribbean Particular emphasis is placed on such cultural expressions that reflect or derive from the cultural vernacular and popular culture as it exists in these spaces Its multidisciplinary approach and focus on different language areas in the Trans Caribbean are of particular interest to scholars in cultural studies migration literary theory and cultural criticism **Bound and Unbound**, 2008 **In the Shadow of the Holocaust** James F. Tent, 2003 James Tent recounts how these men and women from all over Germany and from all walks of life struggled to survive in an increasingly hostile society even as their Jewish relatives were disappearing into the East It draws on extensive interviews with twenty survivors many of whom were teenagers when Hitler came to power to show how half Jews coped with conditions on a day to day basis and how the legacy of the hatred they suffered still lingers in their minds **Tourism, Culture & Communication**, 2004 **Justice Administration** Kenneth J. Peak, 2010 *Justice Administration* 6 e is the only single author book of its kind exploring administration from a systems perspective that looks at administrative issues and practices for all three branches police courts and corrections Drawing on the author's 35 years of experience the text offers an authentic and unique real world perspective and includes thirty case studies throughout This revision addresses many new

topics from technological advances to future trends and introduces students to the practical aspects of justice administration
