Sexual Occupation Of Japan:

The Sexual Occupation of Japan Richard Setlowe,1999

The Sexual Occupation of Japan Richard Setlowe,2000

Comfort Women and Post-Occupation Corporate Japan Caroline Norma,2018-10-15 This book provides an overview of the Japanese sex industry in the years of Japan's postwar economic boom. It argues that the origins of gender inequality in contemporary Japan resulted from the policies put in place during this period when there was instituted a sexual contract which provided male salarymen whose work was arduous underpaid and subject to military like organisation with easy access to women's bodies through workplace getaway trips to hot springs resorts hostess bars and prostitution tourism to South Korea as sexual inducement to acquiesce to their own exploitation. Japan's economic growth the book thereby contends came at the price not just of environmental and labour degradation but also gender inequality.

Gender, Power, and Politics in the US Occupation of Japan, 1945-1952 Mire Koikari,1997

Love, Sex, and Democracy in Japan during the American Occupation M. McLelland,2012-02-13 This is the first book in English to examine through material in the popular press the radical changes that took place in Japanese ideas about sex romance and male female relations in the wake of Japan's defeat and occupation by Allied forces at the end of the Second World War.

Sanitized Sex Robert Kramm,2017-09-26 *Sanitized Sex* analyzes the development of new forms of regulation concerning prostitution venereal disease and intimacy during the American occupation of Japan after the Second World War focusing on the period between 1945 and 1952. It contributes to the cultural and social history of the occupation of Japan by investigating the intersections of ordering principles like race class gender and sexuality. It also reveals how sex and its regulation were not marginal but key issues in postwar empire building. U.S. Japanese relations and American and Japanese self imagery. The regulation of sexual encounters between occupiers and occupied was closely linked to the disintegration of the Japanese empire and the rise of U.S. hegemony in the Asia Pacific region during the Cold War era. Shedding new light on the configuration of postwar Japan the process of decolonization the postcolonial formation of the Asia Pacific region and the particularities of postwar U.S. imperialism. *Sanitized Sex* offers a reading of the intimacies of empires defeated and victorious.

Defeated Nation and Contested Womanhood Masako Endo,2025-11-27 This book investigates the impact of the U.S. occupation of Japan on the discursive remaking of Japanese womanhood. While exploring historical dynamics of Japanese femininity it focuses on the context of the occupation in which meanings of gender sexuality race and social class became particularly fluid. Drawing on insights from studies of gender sexuality race and nation Masako Endo considers how the occupation overtly sexualized and situationally or essentially racialized certain groups of people. She argues that they by challenging traditional Japanese gender roles and sexual mores shaped national discourses of Japanese womanhood and nationhood in occupied and post occupation Japan.

Routledge Handbook of Sexuality Studies in East Asia Mark McLelland,Vera Mackie,2014-09-15 This collection brings together cutting edge work by established and emerging scholars focusing on key societies in the East Asian

region China Taiwan Hong Kong Japan North and South Korea Mongolia and Vietnam This scope enables the collection to reflect on the nature of the transformations in constructions of sexuality in highly developed developing and emerging societies and economies Both Japan and China have established traditions of sexuality studies reflecting longstanding indigenous understandings of sex as well as more recent developments which interface with Euro American medical and psychological understandings Authors reflect upon the complex colonial and economic interactions and cultural flows which have affected the East Asian region over the last two centuries They trace local flows of ideas instead of defaulting to Euro American paradigms for sexuality studies Through looking at regional and global exchanges of ideas about sexuality this volume adds considerably to our understanding of the East Asian region and contributes to wider discussions of social transformation modernisation and globalisation It will be essential reading in undergraduate and graduate programs in sexuality studies gender studies women s studies and masculinity studies as well as in anthropology sociology history cultural studies area studies and health sciences

Japan's Comfort Women Yuki Tanaka, 2003-08-29 Japan s Comfort Women tells the harrowing story of the comfort women who were forced to enter prostitution to serve the Japanese Imperial army often living in appalling conditions of sexual slavery Using a wide range of primary sources the author for the first time links military controlled prostitution with enforced prostitution He uncovers new and controversial information about the role of the US occupation forces in military controlled prostitution as well as the subsequent cover up of the existence of such a policy This groundbreaking book asks why US occupation forces did little to help the women and argues that military authorities organised prostitution to prevent the widespread incidence of GI rape of Japanese women and to control the spread of sexually transmitted diseases

Sexual Occupation of Japan Richard Setlowe, 1999-06-23 In a smart riveting thriller and poignant love story set amid Japan s volcanic economy and political intrigues Peter Saxon an American lawyer fights to keep a secret multibillion dollar deal and himself alive in a country haunted by the past Tour

American Soldiers Overseas Anni Baker, 2004-09-30 Over the past 60 years the U S armed forces have created a web of military bases all over the world from Australia to Iceland to Saudi Arabia This is the aspect of military service that the majority of soldiers know and remember Interaction between U S personnel and local populations is almost a given and it is inevitable that the American and host communities will influence each other in numerous ways This book looks at the history and impact of American military communities overseas It discusses how U S bases affected economic and political life in the host communities how host societies shape the profile and activities of military communities and what happens when relations break down Through case studies of communities around the world Baker shows that the U S armed forces have had a surprisingly large impact both positive and negative on the affairs of many but not all host societies including economic revitalization cultural change and sometimes tragic social consequences In not a few cases the U S military presence has become politically controversial on a national level On the other hand many host nations have successfully circumscribed the

activities of military communities rendering their potentially disruptive presence almost invisible *Occupying Power* Sarah Kovner, 2012-02-08 The year was 1945 Hundreds of thousands of Allied troops poured into war torn Japan and spread throughout the country The effect of this influx on the local population did not lessen in the years following the war s end In fact the presence of foreign servicemen also heightened the visibility of certain others particularly panpan streetwalkers who were objects of their desire *Occupying Power* shows how intimate histories and international relations are interconnected in ways scholars have only begun to explore Sex workers who catered to servicemen were integral to the postwar economic recovery yet they were nonetheless blamed for increases in venereal disease and charged with diluting the Japanese race by producing mixed race offspring In 1956 Japan passed its first national law against prostitution which produced an unanticipated effect By ending a centuries old tradition of sex work regulation it made sex workers less visible and more vulnerable This probing history reveals an important but underexplored aspect of the Japanese occupation and its effect on gender and society It shifts the terms of debate on a number of controversies including Japan s history of forced sexual slavery rape accusations against U S servicemen opposition to U S overseas bases and sexual trafficking *The "Rape" of Japan* Brian P. Walsh, 2024-06-15 Most Americans regard the postwar Occupation of Japan as a prime example of American magnanimity They are blithely unaware of the prevailing Japanese myth that upon entering Japan U S servicemen engaged in an orgy of looting sexual violence and drunken brawling and that during the first ten days of the Occupation there were 1 336 reported cases of rape in Kanagawa Prefecture alone The myth goes further with claims that U S military officers demanded the Japanese government set up brothels for use by American troops and that when embarrassed officials in Washington D C forced Occupation officials to close the brothels the servicemen went on a rampage resulting in according to official records reported rapes of Japanese women skyrocketing from an average of 40 to 330 cases a day The truth is that none of this happened Nevertheless large numbers of Japanese still believe these allegations As the passions of war have faded the currency of such stories has only grown and they are now regarded by many as fact This false narrative of mass sexual violence and the organized exploitation of Japanese women by American military forces is also widely accepted among historians of World War II and its aftermath Brian P Walsh a Princeton educated scholar thoroughly debunks this false narrative in a brave and compelling book that reflects his in depth research into both American and Japanese primary sources Historian Ed Drea has praised Walsh s work on this topic as a masterful refutation of perceived wisdom It is original historical research and writing at its best and is a significant contribution to the study of sexual violence in a military context and to the U S occupation of Japan Walsh sets the records straight by showing that MacArthur s General Headquarters established women s rights on a more secure foundation than anywhere else in East Asia provided a far safer physical environment than most other occupations and all but eliminated endemic sexually transmitted diseases These diseases ruined millions of lives prematurely ending as many as five thousand per year including those of more than a

thousand children The Rape of Japan is a long overdue refutation and exposure of a relentless propaganda campaign that has persisted for more than seven decades *Japanese Employment and Labor Law* Kazuo Sugeno, 2002 This book is a translation of the fifth edition of R d h 2001 Portions of this translation appeared in Japanese labor law 1992 a translation of the second edition of R d h 1992 Title page verso Imperial Animations in Transpacific Contemporary Art Namiko Kunimoto, 2026-02-03 Imperial Animations in Transpacific Contemporary Art situates the Japanese Empire as a world historical event that persists today through pervasive and deep impacts on regional and global politics Considering contemporary artwork from across the transpacific region Namiko Kunimoto documents efforts to expose colonial trauma and reveal its presence in shaping political liberalism in Japan as well as the global rise of aspirational fascism At the heart of these artistic endeavors is a drive to animate both in the sense of digitalization and performance and in the urge to enliven mobilize and reveal the continuities of imperialism today The animate art addressed in this book urges us to think critically about imperialism and its links to the digital age land racism and violence thereby inviting us to reenvision our collective future Japan Labor Bulletin ,1995 日本労働年報, 2001 **Feminist Frontiers** Verta A. Taylor, Nancy Whittier, Leila J. Rupp, 2007 The most widely used anthology of feminist writings and the first to incorporate issues of sexual orientation and sexual diversity Feminist Frontiers has stood the test of time With classic and contemporary readings that cut across disciplines and generational lines Feminist Frontiers presents the full diversity of women s issues and experiences exploring their similarities as well as their interconnected differences Feminist Frontiers offers analyses of the causes and consequences of gender inequality in a global context and introduces students to feminist theory and methodology A sociological analysis opens each of the four parts and eleven sections of the book Boxed inserts featuring personal stories news articles and other items from popular culture complement the readings Gender, Violence and Power in Indonesia Katharine McGregor, Ana Dragojlovic, Hannah Loney, 2020-03-13 This book uses an interdisciplinary approach to chart how various forms of violence domestic military legal and political are not separate instances of violence but rather embedded in structural inequalities brought about by colonialism occupation and state violence The book explores both case studies of individuals and of groups to examine experiences of violence within the context of gender and structures of power in modern Indonesian history and Indonesia related diasporas It argues that gendered violence is particularly important to consider in this region because of its complex history of armed conflict and authoritarian rule the diversity of people that have been affected by violence as well as the complexity of the religious and cultural communities involved The book focuses in particular on textual narratives of violence visualisations of violence commemorations of violence and the politics of care Japan Quarterly ,1996

Sexual Occupation Of Japan Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sexual Occupation Of Japan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sexual Occupation Of Japan has opened up a world of possibilities. Downloading Sexual Occupation Of Japan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sexual Occupation Of Japan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sexual Occupation Of Japan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sexual Occupation Of Japan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sexual Occupation Of Japan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sexual Occupation Of Japan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
