**The Erotic Margin** Irvin C. Schick, 2020-05-05 Gender and sexuality have long held an important place in western attitudes towards the people and regions of the world from the titillating accounts of harem life in the Middle East to terrifying captivity narratives of North America The Erotic Margin is a first attempt to pull together the large disparate and often contradictory literature and view it as a corpus Schick argues that such images served to construct spatial difference and thereby helped Europe represent its own place in the world during an age of rapid geographical expansion Informed by the recent literature on human geography as well as feminist and postcolonial theory The Erotic Margin focuses on erotica and sexual anthropology as well as travel literature in which from the eighteenth century on both traveler and destination were portrayed in unmistakably gendered and sexualized terms Reviewing examples ranging from the New World to India the Near East to black Africa and the South sea islands to the Barbary Coast the book reflects on why foreign women were variously portrayed as alluring or threatening foreign men as effeminate weaklings or dangerous rapists and foreign lands as sexual idylls or hearts of darkness

**The Ambivalence of Gay Liberation** Craig Griffiths, 2021-02-25 The Ambivalence of Gay Liberation explores ways of thinking feeling and talking about being gay in the 1970s an influential decade sandwiched between the partial decriminalisation of male homosexuality in 1969 and the arrival of the HIV AIDS

crisis in the early 1980s Moving beyond divided Cold War Berlin it also focuses on lesser known cities such as Aachen Cologne Frankfurt M nster and Stuttgart to name just a few of the 53 localities that were home to a gay group by the end of the 1970s These groups were important and this book tells their story In 1970s West Germany gay liberation did not take place only in activist meetings universities and on street demonstrations but also on television in magazine editorial offices ordinary homes bedrooms and beyond In considering all these spaces and individuals this book provides a more complex account than previous histories which have tended to focus only on a social movement and only on the idea of gay pride By drawing attention to ambivalence this book shows that gay liberation was never only about pride but also about shame characterized not only by hope but also by fear and driven forward not just by the pushes of confrontation but also by the pulls of conformism Ranging from the painstaking emergence of the gay press to the first representation of homosexuality on television from debates over the sexual legacy of 1968 and the student movement to the memory of Nazi persecution *The Ambivalence of Gay Liberation* is the first English language book to tell the story of male homosexual politics in 1970s West Germany In doing so this book changes the way we think about modern queer history     **The New Yorker** Harold Wallace Ross, Katharine Sergeant Angell White, 1995     *Soldiers* ,1997     **Readers' Guide to Periodical Literature** Anna Lorraine Guthrie, Bertha Tannehill, Neltje Marie Tannehill Shimer, 1904 An author subject index to selected general interest periodicals of reference value in libraries     **Kliatt Young Adult Paperback Book Guide** ,1997     *Video Source Book* ,2006 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction     New York Magazine ,1977-02-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea     *Holiday* ,1975     **The New Republic** Herbert David Croly, 1968-07     **The World** ,1999     *Cue* ,1976     **The Family Guide to Movies and Videos** Henry Herx, 1995     **Time Out Film Guide** ,2007     **International Journal of Religious Education** ,1937     **The Christian Union** ,1885
