**Gender and Sexuality in Ghanaian Societies** Martha Donkor,Amoaba Gooden,2022-09-01 Gender and Sexuality in Ghanaian Societies explores cultural dynamics embedded in the interstices of agency vulnerability and power within patriarchal structures that seek to regulate the sexual lives of women in Ghana Emphasizing the centrality of gender as a motive force for sexual expression the book stresses that contemporary Ghanaian women's sexual expressions are caught at the intersection of traditional gender expectations of heteronormativity and women's perceptions of how heteronormativity should operate in their lives The book's emphasis on women's agency is significant because it highlights a flaw in earlier Western accounts of African women's lives under Africa's special brand of patriarchy that held women in total subjection to men Gender and Sexuality debunks that trope and presents Ghanaian women's dynamism resilience and vulnerabilities embedded in the diverse cultures in which they live      Keywords for Gender and Sexuality Studies Kyla Wazana
