Sexuality TODAY

NINTH EDITION

Sexuality Today Text

Anne Bolin, Patricia Whelehan

Sexuality Today Text:

SCM Core Text Theology and Sexuality Susannah Cornwall, 2013-02-18 The SCM Core Text Theology and Sexuality provides a clear overview of the theological debate surrounding sexuality as broadly understood. It gives an outline of the major themes surrounding sexuality in theological perspective focusing on key thinkers, concepts and areas of discussion. This student friendly textbook is aimed at theology students and ordinands studying at undergraduate level 3 and MA level who are undertaking modules on theology and sexuality, gender, sex and the human body. It is also accessible to Christian clergy and laypeople who wish to engage with issues of sexuality in congregations. The use of extensive glossaries, breakout definitions and examples makes the book accessible to those with little existing knowledge of contemporary debates on theology and sexuality. The book includes chapters on definitions of sexuality, sexuality in the Christian tradition, Christian approaches to marriage, celibacy and virginity and same sex relationships.

Perspectives on Human Sexuality Anne Bolin, Patricia Whelehan, 1999-07-01 Presents the first book length examination of both the biological and cultural factors in human sexuality.

Sexuality Today Gary F. Kelly, 2004 Balances the psychological, biological, physiological and social elements of human sexuality integrating the research findings and social trends. Presenting various sides of controversial topics in a neutral voice, here students are trusted to weigh the facts with their own ideas and the views of others in a class.

The Bible, Gender, and Sexuality: Critical Readings Lynn R. Huber, Rhiannon Graybill, 2020-10-01 This volume collects both classic and cutting edge readings related to gender, sex, sexuality and the Bible. Engaging the Hebrew Bible, New Testament and surrounding texts and worlds, Rhiannon Graybill and Lynn R. Huber have amassed a selection of essays that reflects a wide range of perspectives and approaches towards gender and sexuality. Presented in three distinct parts, the collection begins with an examination of gender in and around biblical contexts, before moving to discussing sex and sexualities and finally critiques of gender and sexuality. Each reading is introduced by the editors in order to situate it in its broader scholarly context and each section culminates in an annotated list of further readings to point researchers towards other engagements with these key themes.

Practicing Safer Texts Kenneth Stone, 2005-05-30 This book uses the ubiquitous comparison between food and sex as a framework for examining a number of texts from the Hebrew Bible as well as later readings of those texts and interpretive issues raised by the texts. A range of biblical texts in which both food and sex appear are analyzed in an interdisciplinary fashion with the help of both traditional tools of biblical scholarship and less traditional tools such as Queer studies and cultural anthropology. By utilizing a reading lens that relates food and sex to one another intentionally rather than treating them separately, the book will, among other things, question the tendency of readers of the Bible to overstress the gravity of sexual matters in relation to other matters of potential ethical, theological, exegetical and cultural concern such as food. At the same time as the title *Practising Safer Texts* indicates, the book also proposes a pragmatic approach to biblical interpretation that uses strategies of safer sex as a sort of loose model. Such an approach

assesses texts and readings of the Bible not in a universalizing fashion but rather in terms of their likely effects for good or ill on particular readers in particular contexts and situations just as notions of safer sex ask us to assess sexual acts not in a moralizing fashion but rather in terms of their likely effects on particular persons **America's Sexual Transformation**

Gary F. Kelly, 2011-11-15 This book explains how the short lived sexual revolution 50 years ago has led to the current evolution of our sexual values and behaviors and social standards among youth culture examining topics such as communication technologies and sex teen pregnancy and divorce rates in the Bible Belt Is an increase in sexual activity during adolescence a normal part of the transition to adulthood or evidence of a societal problem Why would conservative religious youth become sexually active earlier than their peers and be more likely to have an unintended pregnancy or sexually transmitted disease How are women continuing to lead our society's sexual transformation Written by an author whose 40 year career in sexology and university administration provides a uniquely qualified perspective upon both sex research and the changing sexual perceptions of American youth this comprehensive book is must read for both parents and policy makers America's Sexual Transformation traces the philosophical cultural and scientific developments responsible for the beginning and end of America's sexual revolution that have now spawned a more substantive sexual transformation It examines traditional theories and attitudes regarding sex and demonstrates how the findings of sex research provide entirely new paradigms that should replace outmoded and harmful theories This groundbreaking book also explains who we are as sexual individuals and how we got to be that way **Exploring the Dimensions of Human Sexuality** Jerrold S.
