

A photograph of a person's shadow cast onto a brick-paved surface. The shadow is long and dark, stretching from the top center towards the bottom. The bricks are arranged in a herringbone pattern. The text is overlaid on the shadow.

SHADOW OF THE LONG KNIVES

by
Thomas Boyd

Shadow Of The Long Knives

John Tillotson

Shadow Of The Long Knives:

Shadow of the Long Knives Thomas Boyd, 1928 The adventures of Angus McDermott emissary of the British in the colonial period to the Indians in the Ohio country Major roles in the story are played by Indian characters and native life as well as by the romance of Angus with Charity Wilkinson *Thomas Boyd* Brian Bruce, 2006 Mentored by F Scott Fitzgerald and Sinclair Lewis and published under the renowned Scribner editor Maxwell Perkins Thomas Boyd attained only modest success as a novelist and biographer He is known most widely for his World War I novel *Through the Wheat* which critics praising its realistic depiction of war and battle compared to the *Red Badge of Courage* How does a writer like Boyd with his prominent literary friends political ideals professional aspirations complicated personal life and early death fall so easily into obscurity In this first full biography of Thomas Boyd Brian Bruce explores the events of Boyd's life and rescues him from the realm of insignificance The 1920s were a magical and very attractive time for critics and historians of American literature Hollywood and the radio would soon end the careers enjoyed by many writers like Boyd and the nature of the book market would change forever in ways that mark the novel's descent from a privileged position of cultural importance or influence Richly based on correspondence this book not only illuminates a forgotten writer but also captures the publishing world at a mercurial peak *Shadow's Master* Jon Sprunk, 2012-03-13 A land of death and shadow where only the strongest survive Yet that is where Caim must go to follow the mystery at the heart of his life Armed only with his knives and his companions he plunges into a world of eternal night where the sun is never seen and every hand is turned against him Caim has buried his father's sword and found some measure of peace but deep in the north an unfathomable power lies waiting To succeed on this mission Caim will have to do more than just survive He must face the Shadow's Master With this novel Jon Sprunk brings his action packed trilogy to an epic conclusion **Shadow's Fall** Dianne Sylvan, 2012-03-27 For three years Miranda Grey Solomon has kept her role as Vampire Queen of the South separate from her Grammy winning music career But now her dual lives are starting to collide threatening everything Miranda and David her Prime have worked for The entire Signet Council has descended upon Austin for its ten year summit bringing with it Prime James Hart of the Northeast a sworn enemy come to take his revenge on those who defied him But Miranda and David receive an unexpected offer of help from David's sire an ancient and powerful vampire with knowledge that may be their salvation or their doom [The Outlook](#), 1928 **Yellow Bear and Silver Shoes** Buddy Johnson, 2017-11-08 Atop the Unaka Mountain overlooking the many ridges and valleys looking out across the vast expanse from east to west I became aware of distant mountains that my father could name without a moment's hesitation and point out the lay of the old trace of the old Wagon Road Years upon years ago many events occurred and some of them were formed into stories that were told to children around the campfire when they camped along the old trails As time changed the children into old men a few stories were told over and over until they became woven into the fabric of folklore Now I cannot name but a few of the mountains and my father is gone No doubt most of the Indian tales

are gone too lost in the pages of time Aided with folklore and imagination maybe we can unweave one or two stories that otherwise might have been lost When I was but a lad many were the old stories I heard One of those was most fascinating the story of a lost mine Lost Treasure of Long Ago and another was one called Bear Wallow a little flat at the head of a long valley where bears were seen that were eerie looking because of the yellow mudholes that they wallowed in Perhaps the story of Yellow Bear and his horse that wore silver shoes is one of those tales that has been uncovered from the lost pages of time
