Shadowcasting An Introduction To The Art Of Flyfishing:

Shadowcasting John Dietsch, Gary Hubbell, 2000-09 Filled with straightforward advice humorous and touching anecdotes and brilliant colour photos this book focuses on conveying to the beginning flyfisher the feeling of being on the river with a rod in hand rather than getting mired in overly technical details Flyfishing techniques and anecdotes are related in a laid back and entertaining fashion by the expert who served as the flyfishing production coordinator on the set of *A River Runs Through It* From teaching Brad Pitt the famous and tricky shadow cast to sharing fun moments with friends along the river this book is an educational and amusing guide for the beginning flyfisher Graced by Waters John Dietsch, Paul

VanDevelder, 2020-04-28 In this inspirational and humorous collection of essays author John Dietsch sees his addiction to and passion for fishing as a parable that can help us shift from compulsive thinking to mindfulness and a closer connection to God From creating fishing scenes on the set of *A River Runs Through It* in Montana to directing fly fishing shows in New Zealand and from exploring deep canyons in California to guiding in Colorado John shares his experiences and asks the question what are we really fishing for Through John s journeys across the globe we discover that the same pursuit in fishing of what is elusive but attainable can be applied to our own spiritual journey In the end Dietsch uncovers his own truth under the rocks of a childhood river recognizing the loss of both his brothers as the path of acceptance and faith that is graced by waters
