# DWARVEN GOLD

Gold is the colour of the sun, and to the dwarves it is their connection to the forces of light. Through ritual they can purge themselves of shadow, redeeming their souls through sacrifice of gold back to the Earth. They save themselves by overcoming their desires and greed, and proving they value their soul above any material wealth.

Occasionally, however, a Dwarf is overcome with love of gold, and hoards their wealth and in so doing loses their soul to the darkness.
