Shakespeare And The Authority Of Performance

Judd E. Hollander

Shakespeare And The Authority Of Performance:

Shakespeare and the Authority of Performance William B. Worthen, 1997-09-25 How the idea of Shakespearean authority is still invested in the activities of directing acting and scholarship Shakespeare and the Authority of Performance William B. Worthen, 1997-09-25 This stimulating book asks how both text and performance are construed as vessels of authority and finds that our understanding of Shakespearean performance retains a surprising sense of the possibility of being faithful to Shakespearean texts and so to Shakespeare After an opening theoretical chapter Worthen examines the relationship between text and performance in three activities directing acting and scholarship The book contributes to the scholarly study of acting and directing and to the wider discourse of performance studies

Shakespeare's Culture in Modern Performance M. Jones, 2003-10-23 Shakespeare's Culture in Modern Performance is an original study at the interface of a historicizing literary criticism and the study of modern performance In a critical climate that views the cultural object of performance as authentic in itself is there any point in exploring a script's original history The writer argues for a dialogic understanding of Shakespeare's plays in performance relative to unresolved issues of modernity in a study of modern productions on stage and screen **Still Shakespeare and the Photography**

of Performance Sally Barnden, 2020 Examines both theatrical and staged art photographs demonstrating their role in fixing and unfixing Shakespearean authority *Relations & Relationships in Seventeenth-century French Literature* Jennifer Robin Perlmutter, North American Society for Seventeenth-Century French Literature. Conference, 2006 This volume is devoted to the variety of relationships that defined France and its citizens Man's connection with God is explored the travel relation and the particular hierarchy that exists between a director and a dramatist respectively These themes are further addressed in the articles that follow on relationships of authority Catholics and Protestants books and Illustrations literary genres travel relations aesthetics and ethics and family relationships **The Oxford Handbook of Shakespeare and Performance**

James C. Bulman, 2017-11-16 The Oxford Handbooks to Shakespeare are designed to record past and present investigations and renewed and revised judgments by both familiar and younger Shakespeare specialists Each of these volumes is edited by one or more internationally distinguished Shakespearians together they comprehensively survey the entire field Shakespearean performance criticism has firmly established itself as a discipline accessible to scholars and general readers alike And just as performances of the plays expand audiences understanding of how Shakespeare speaks to them so performance criticism is continually shifting the contours of the discipline The 36 contributions in this volume represent the most current approaches to Shakespeare in performance They are divided into four parts Part I explores how experimental modes of performance ensure Shakespeare's contemporaneity Part II tackles the burgeoning field of reception how and why audiences respond to performances as they do Part III addresses the ways in which technology has revolutionized our access to Shakespeare both through the mediums of film and sound recording and through digitalization Part IV grapples with

global Shakespeare considering matters of cultural appropriation in productions played for international audiences Together these ground breaking essays attest to the richness and diversity of Shakespearean performance criticism as it is practiced today *The Shakespearean International Yearbook* Professor David Schalkwyk, Professor Graham Bradshaw, Professor Tom Bishop, 2013-04-28 This issue marks the 10th anniversary of The Shakespearean International Yearbook On this occasion the special section celebrates the achievement of senior Shakespearean scholar Robert Weimann whose work on the Elizabethan theatre and early modern performance culture has so influenced contemporary scholarship Ten essays in this issue of Yearbook including one by the honoree himself focus on those aspects of Shakespearean studies which Weimann has impacted most profoundly the idea and practice of a popular tradition the materialist critique of early modern theater the practices of early modern authorship acting and theatricality and his celebrated bifold articulation of authority and representation In addition to this extensive exploration of Weimann's work the volume includes essays on The Comedy of Errors Romeo and Juliet Shakespeare and Lucretius and Shakespeare on BBC television The Shakespearean International Yearbook continues to provide an annual survey of important issues and developments in contemporary Shakespeare studies Among the contributors are Shakespearean scholars from Ireland Japan France Germany South Africa UK and the US

The Achievement of Robert Weimann Graham Bradshaw, Tom Bishop, David Schalkwyk, 2010 This issue marks the 10th anniversary of The Shakespearean International Yearbook On this occasion the special section celebrates the achievement of senior Shakespearean scholar Robert Weimann whose work on the Elizabethan theatre and early modern performance culture has so influenced contemporary scholarship Among the contributors to this issue are Shakespearean scholars from Ireland Japan France Germany South Africa UK and the US **The Routledge Guide to William Shakespeare** Robert Shaughnessy, 2013-05-13 Demystifying and contextualising Shakespeare for the twenty first century this book offers both an introduction to the subject for beginners as well as an invaluable resource for more experienced Shakespeareans In this friendly structured guide Robert Shaughnessy introduces Shakespeare's life and works in context providing crucial historical background looks at each of Shakespeare's plays in turn considering issues of historical context contemporary criticism and performance history provides detailed discussion of twentieth century Shakespearean criticism exploring the theories debates and discoveries that shape our understanding of Shakespeare today looks at contemporary performances of Shakespeare on stage and screen provides further critical reading by play outlines detailed chronologies of Shakespeare's life and works and also of twentieth century criticism The companion website at www.routledge.com/textbooks/shaughnessy contains student focused materials and resources including an interactive timeline and annotated weblinks *Shakespeare Quarterly*, 2004 **Shakespeare and the Power of Performance** Robert Weimann, Douglas Bruster, 2010-12-02 Focusing on the practical means and media of Shakespeare's stage this study envisions horizons for his achievement in the theatre Bridging the gap between today's page and stage centred interpretations two renowned Shakespeareans demonstrate the

artful means by which Shakespeare responded to the competing claims of acting and writing in the Elizabethan era They examine how the playwright explored issues of performance through the resonant trio of clown fool and cross dressed boy actor Like this trio his deepest and most captivating characters often attain their power through the highly performative mode of personation through playing the character as an open secret Surveying the whole of the playwright's career in the theatre Shakespeare and the Power of Performance offers not only compelling ways of approaching the relation of performance and print in Shakespeare's works but also new models for understanding dramatic character itself Directing And Authorship In Western Dram Anna Migliarisi,2005-10 *Shakespeare Performance Studies* W. B. Worthen,2014-06-26 Taking a performance studies perspective on Shakespearean theatre W B Worthen argues that the theatrical event represents less an inquiry into the presumed meanings of the text than an effort to frame performance as a vehicle of cultural critique Using contemporary performances as test cases Worthen explores the interfaces between the origins of Shakespeare's writing as literature and as theatre the modes of engagement with Shakespeare's plays for readers and spectators and the function of changing performance technologies on our knowledge of Shakespeare This book not only provides the material for performance analysis but places important contemporary Shakespeare productions in dialogue with three influential areas of critical discourse texts and authorship the function of character in cognitive theatre studies and the representation of theatre and performing in the digital humanities This book will be vital reading for scholars and advanced students of Shakespeare and of performance studies Shakespeare and the Renaissance Stage to 1616 Hugh M. Richmond,1999 JEGP, Journal of English and Germanic Philology Gustaf E. Karsten,2000 **Towards a New Shakespearean Historiography** Matthew Drew Wagner,2001 The English Clown Tradition from the Middle Ages to Shakespeare Robert Hornback,2009 English theatrical clowns carried a weighty cultural significance from the late medieval period through to the seventeenth century only to have it stripped from them sometimes violently at the close of the Renaissance when the license of fooling was revoked This survey of clown traditions during the period looks at their history and reveals their hidden cultural contexts and legacies It has far reaching implications not only for a general understanding of English clown types but also for understanding their considerable role in defining social religious and racial boundaries The study begins with an exploration of previously misconstrued early representations of blackness in medieval psalters cycle plays and Tudor interludes arguing that such depictions are more emblematic of folly and ignorance than of evil Other elements of the clown tradition examined here include the patronage of a clownish iconoclastic Lord of Misrule by Protestants at Cambridge and at court during the reigns of Henry VIII and Edward the Puritan clown of the Elizabethan stage and the Fool in King Lear about whom fresh and provocative conclusions are reached The epilogue focuses on the satirical clowning which took place surreptitiously in the Interregnum and the causes and manner of the revoking of licensed foolery Book Jacket *The Works of Shakespeare* William Shakespeare,1899 *Journal of Dramatic Theory and Criticism* ,2014 **Plays International**

,1997
