Shakespeare And The Shapes Of Time:

Shakespeare and the Shapes of Time David Scott Kastan, 1982-06-18 **Shakespeare and the Book** David Scott Kastan, 2001-09-20 An account of Shakespeare's plays as they were transformed from scripts into books *Shakespeare* David M. Bergeron, Geraldo U. de Sousa, 1987 This updated edition should be welcomed by anyone interested in Shakespeare. Particularly useful are its pithy introductions and bibliographies on various critical approaches. David Bevington, editor of Complete Works of Shakespeare. A handy compact map to the changing and contested field of Shakespeare studies. Bruce R. Smith, author of *Homosexual Desire in Shakespeare's England*. Copyright Libri GmbH. All rights reserved. The Animal-lore of Shakespeare's Time Emma Phipson, 1883 **Shakespeare and His Time**, 1895 **Shakespeare's Sublime Ethos** Jonathan P. A. Sell, 2021-07-29 Winner of the AEDEAN Enrique Garc'a D'ez Literature Research Award 2023. Shakespeare's Sublime Ethos: Matter, Stage, Form breaks new ground in providing a sustained demystifying treatment of its subject and looking for answers to basic questions regarding the creation experience, aesthetics, and philosophy of Shakespearean sublimity. More specifically, it explores how Shakespeare generates a sublime mood or ethos which predisposes audiences intellectually and emotionally for the full experience of sublime pathos explored in the companion volume *Shakespeare's Sublime Pathos*. To do so, it examines Shakespeare's invention of sublime matter, his exploitation of the special characteristics of the Elizabethan stage, and his dramaturgical and formal simulacra of absolute space and time. In the process, it considers Shakespeare's conception of the universe and man's place in it and uncovers the epistemological and existential implications of key aspects of his art. As the argument unfolds, a case is made for a transhistorically baroque Shakespeare whose bastard art enables the dramatic restoration of an original innocence where ignorance really is bliss. Taken together, *Shakespeare's Sublime Ethos* and *Shakespeare's Sublime Pathos* show how Shakespearean drama integrates matter and spirit on hierarchical planes of cognition and argue that ultimately, his is an immanent sublimity of the here and now, enfolding a transcendence which may be imagined, simulated, or evoked but never achieved. **Shakespearean Characterization** Leslie O'Dell, 2001-10-30 Shakespeare's plays were written some four hundred years ago, and while his characters are enduring, they are also alien. In grappling with the text of his plays, the modern actor must bring Shakespeare's Renaissance characters to life for a modern audience. And while it is difficult enough for twentieth-century spectators to make sense of the plays, it is also hard for modern actors to understand the Elizabethan world that created the personalities so vividly sketched in Shakespeare's texts. This reference is a convenient and practical guide for actors faced with the task of playing Shakespeare's characters. The volume begins with an overview of Elizabethan theatrical conventions, including the training of actors. It then looks at the dramatic tradition of personification which Shakespeare's world inherited from the medieval stage. Later chapters give special attention to how language reveals character and to the social and cultural contexts of the Renaissance. Throughout, the emphasis is on how to translate Shakespeare's text into action on the stage. While the volume

contains much useful information that information is presented to meet the special needs of theater professionals *Natural History in Shakespeare's Time* Herbert West Seager, 1896

Onstage and Offstage Worlds in Shakespeare's Plays Anthony Brennan, 2021-03-30 Originally published in 1989 this book focuses on the handling of the relationship between the onstage world and the offstage world between the world that Shakespeare shows us and the one he tells us about It is developed in two parts Initially examined is the way reports are used in Shakespeare to relate the offstage and onstage worlds building from simple examples within individual scenes in various plays to related sequences of reports which can be evaluated as part of broader strategies effecting the structure of a whole play In the second part the author examines the ways in which several or all of these strategies work in individual plays and what combined effect the prominent employment of them has in shaping the effect of the plays In all cases the author is concerned to indicate why Shakespeare chose to handle matters as he does rather than in other ways available in the sources or in the speculative alternative methods which can be imaginatively constructed *New Readings & New Renderings of Shakespeare's Tragedies* Henry Halford Vaughan, 1878

Reading Shakespeare's Dramatic Language Sylvia Adamson, 2001 Collection of short essays in two parts Pt 1 The language of Shakespeare's plays Pt 2 Reading Shakespeare's English [From Shakespeare to Obama](#) J. Hart, 2013-12-17 From Shakespeare to Obama discusses language slavery and place from the Portuguese enslavement of African people through slavery in Shakespeare's plays to President Obama's 2012 speech on modern slavery Balancing close reading with context this expansive book offers new insight into questions of otherness rhetoric and stereotyping

Shakespeare Stanley Wells, 1990 In this comprehensive and compelling study Stanley Wells explores the wide range of meanings that the plays can generate and analyzes their literary and dramatic craftsmanship in terms that are accessible to the nonspecialist even to readers with no previous knowledge or experience of Shakespeare In particular he looks at Shakespeare's impact through the ages and especially on the varied realizations of his plays in modern theater

The Shakespeare Wars Ron Rosenbaum, 2011-11-09 Ron Rosenbaum is one of the most original journalists and writers of our time David Remnick In *The Shakespeare Wars* Ron Rosenbaum gives readers an unforgettable way of rethinking the greatest works of the human imagination As he did in his groundbreaking *Explaining Hitler* he shakes up much that we thought we understood about a vital subject and renews our sense of excitement and urgency He gives us a Shakespeare book like no other Rather than raking over worn out fragments of biography Rosenbaum focuses on cutting edge controversies about the true source of Shakespeare's enchantment and illumination the astonishing language itself How best to unlock the secrets of its spell With quicksilver wit and provocative insight Rosenbaum takes readers into the midst of fierce battles among the most brilliant Shakespearean scholars and directors over just how to delve deeper into the Shakespearean experience deeper into the mind of Shakespeare Was Shakespeare the one draft wonder of Shakespeare in Love Or was he rather as an embattled faction of textual scholars now

argues a different kind of writer entirely a conscientious reviser of his greatest plays Must we then revise our way of reading staging and interpreting such works as Hamlet and King Lear Rosenbaum pursues key partisans in these debates from the high tables of Oxford to a Krispy Kreme doughnut shop in a strip mall in the Deep South He makes ostensibly arcane textual scholarship intensely seductive and sometimes even explicitly sexual At an academic Pleasure Seminar in Bermuda for instance he examines one scholar's quest to find an orgasm in Romeo and Juliet Rosenbaum shows us great directors as Shakespearean scholars in their own right We hear Peter Brook perhaps the most influential Shakespearean director of the past century disclose his quest for a secret play hidden within the Bard's comedies and dramas We listen to Sir Peter Hall founder of the Royal Shakespeare Company as he launches into an impassioned table pounding fury while discussing how the means of unleashing the full intensity of Shakespeare's language has been lost and how to restore it Rosenbaum's hilarious inside account of the Great Shakespeare Funeral Elegy Fiasco a man versus computer clash illustrates the iconic struggle to define what is and isn't Shakespearean And he demonstrates the way Shakespearean scholars such as Harold Bloom can become great Shakespearean characters in their own right The Shakespeare Wars offers a thrilling opportunity to engage with Shakespeare's work at its deepest levels Like Explaining Hitler this book is destined to revolutionize the way we think about one of the overwhelming obsessions of our time *The Shapes of Time* David Scott Kastan,1975 Shakespeare's Imagery Caroline Frances Eleanor Spurgeon,1961 *Shakespeare Quarterly* ,1999 Provides image and full text online access to back issues Consult the online table of contents for specific holdings **The Musical Times and Singing-class Circular** ,1879 **The Law Times** ,1898
