

Practical Mysticism

- Published in 1914 at the beginning of World War I: dedicated "to the unseen future."
- As *Mysticism* surveys the theory of mysticism, this book lives up to its title: it offers a practical introduction to mystical spirituality "for normal people."
- While some of the language is dated, it is accessible and insightful.
- Much of Underhill's content is based on St. Teresa of Ávila.
- The book's goal: to help ordinary people to live "the mystical life."
- Preparation for the mystical life includes meditation, recollection, and three dimensions ("forms") of contemplation
- "Prayer" is not a major concern — the word only appears once in the entire book!

PRACTICAL MYSTICISM BY EVELYN UNDERHILL

An inspiring
introduction
to the world of
the mystic

Praying With The English Mystics

Catherine Innes-Parker

Praying With The English Mystics:

Praying with the English Mystics Jenny Robertson, 1992-02 **Mystics at Prayer** Many Cihlar, 1960 **Way of The English Mystics** Gordon C. Miller, 1996-01-07 A distinctive feature of Western religious life in recent years has been the rediscovery of the contemplative tradition in Christianity Within the Christian mystical tradition England holds a unique place with a number of major figures from the Middle Ages and later whose writings have fascinated generations of readers This book presents seven of them five from the medieval period the golden age of English mysticism Richard Rolle Walter Hilton the author of *The Cloud of Unknowing* Julian of Norwich and Margery Kempe and two from later centuries William Law and George Herbert Each chapter consists of an introductory essay on the life and writings of each individual followed by carefully chosen extracts from their writings Those from the medieval period are in fresh new translations All these writers see the spiritual life as an ongoing process a pilgrimage This inner pilgrimage requires no outer excursions but throughout the ages spiritual pilgrims have undertaken physical pilgrimages as well One aim of this book is to encourage its readers to continue this tradition by visiting sites from which the writings arose So each chapter is provided with a map of the area of immediate interest and a drawing of the place most associated with each figure and the introductory essays contain practical information about how to get there No other anthology of mystical and spiritual writings describes the lives and locations of these individuals in this way Gordon L Miller Ph D is a writer and historian living near Seattle Washington He attended Milligan College and Christian Theological Seminary This book developed from a period of post graduate study at Cambridge University when he visited the sites described in the book a journey which he says made the historical grounding of the English mystical tradition much more real to me He is also the author of *Wisdom of the Earth Visions of an Ecological Faith*

The English Mystics David Knowles, 1927 *Der Weg zur christlichen Vollkommenheit* Margarethe Hopf, 2009 The comprehensive study on Walter Hilton's life and work written from a theological perspective by a German scholar is an invaluable contribution to current Anglo Saxon research on the Middle English Mystics German text **The Wooing of Our Lord and The Wooing Group Prayers** Catherine Innes-Parker, 2015-07-22 The Wooing of Our Lord and the Wooing Group prayers occupy a key position in the history of English literature and the development of English religious devotion Dating from the second quarter of the thirteenth century they are among a group of texts written in English at a time when the language of literature and the court was Anglo Norman French and the language of church and state was Latin The text for which this group is named *The Wooing of Our Lord* is also a highly skilled composition combining beautiful and poetic expression with a profound affective theology Its first person female narrator speaks directly to Christ becoming the voice of the reader whom the text guides through a passionate meditation upon the magnitude of Christ's love his sufferings in his Passion and the response of the individual soul Catherine Innes Parker's graceful new translation is paired with the original Middle English dialect in a facing page format **De Quatuordecim Partibus Beatitudinis** Anselm (Canterbury,

Erzbischof, Heiliger), Avril Henry, D. A. Trotter, 1994 *Praying To Our Lord Jesus Christ* Benedict J. Groeschel, 2004 This book combines an anthology of profound prayers drawn from all of Christian history with spiritual insights and illustrations from classic art It is a valuable companion for personal prayer for times of recollection and for times of critical spiritual need From back cover **English Mystics** Geraldine Emma Hodgson, 1922 "No Remedy but Continual Prayer" Mark Murphree, 2025-08-19 John Wesley was a powerful leader in the Evangelical Revival of eighteenth century England He traveled across the land preaching the doctrine of justification by faith facing unruly mobs and nurturing a network of small groups of committed Christians called Methodists In the face of all distractions and temptations he found there was no remedy to preserve his relationship with God but continual prayer Mark Murphree surveys Wesley s sermons journals and diaries and voluminous correspondence to articulate Wesley s underlying theology of prayer and outline how that theology was expressed in practice in the varied circumstances of Wesley s life and ministry *Praying with English Mystics* Random House, 1997-03-01 *The 14th-century English Mystics* Valerie Marie Lagorio, Ritamary Bradley, 1981 **Newsletter on the Fourteenth-century English Mystics** , 1974 **The Voice from the Cross** Donald Coggan, 1993 Three 14th Century English Mystics Phyllis Hodgson, British Council, National Book League (Great Britain), 1967 Mystics Quarterly , 1998 **14th Century English Mystics Newsletter** , 1983 *Studien zur englischen Mystik des Mittelalters unter besonderer Berücksichtigung ihrer Metaphorik* Wolfgang Riehle, 1977 **One Day for God** Anthea Dove, 1995 A guide to setting aside one day for God a day of silence and Scripture reading reflection and prayer exercise and relaxation The book also offers inspiration and practical suggestions to all who find their praying hard work *Fifteenth-century English Prayers and Meditations* , 1975
