Christocentric Preaching Meets the Historical Jesus Devon Duffield, 2024-12-30 The Christocentric homiletic is considered one of the leading contemporary approaches within the evangelical hermeneutic and homiletic society This is due to the convincing theological justification practical guidance and demonstrative examples of Christocentric sermons from three North American scholars Sidney Greidanus Edmund Clowney and Bryan Chapell Its popularity however has not made this approach immune to criticism Opponents of the Christocentric approach often criticize the preaching model for operating on a general interpretive level having repetitive sermon goals and delivering sermons that lack adequate application among other things The suggested antidote to these issues in current scholarship is for the Christocentric homiletic to become less Christocentric and more Theocentric This book enters the current homiletical debate on Christocentric preaching by placing the homiletical method in conversation with the field of Christology In doing so it points out that the Christocentric homiletic is embedded in a Christology from above contributing to its strengths and weaknesses This book suggests that if the Christocentric method takes the Christologies from below of N T Wright and Wolfhart Pannenberg seriously it can address specific weaknesses and find resources to enhance some of its strengths without negating its central conviction of preaching Christ in every sermon It defends the unique proposal that the Christocentric method can address its criticisms by becoming more Christocentric and not more Theocentric

**The Historical Jesus** Charles Piepenbring, 2024-12-01 In his book The Historical Jesus first published in 1924 Dr Piepenbring devotes seven chapters to presenting the life and teaching of Jesus of Nazareth, elaborating more particularly the points which he considers to have been inadequately treated in Professor Loisy's Commentary on the Synoptic Gospels. He concludes with a careful examination of the parallels drawn

between the tenets of the Galilean teacher and the doctrines inculcated by Lao tse and Epictetus respectively and shows wherein the Christian standards excel both the other ideals The author s earlier Biblical studies are well known and this volume forms a valuable addition to the Christology of that time      Between Heaven and Hell Dean R. Eyerly,2010-02 There is no greater controversial person in the world than Jesus the Christ For over two thousand years speculation has been lurking in the background about religious control of belief by the church and church dogma in general Where many people stop in Sunday school author Dean Eyerly moves beyond in his historical research about this man named Jesus and his historical search for his true beliefs and teaching Along the way historical writings were discovered that provided more detail surrounding his life death and resurrection Having been inspired to study after being presented with conflicting historical information Eyerly began to study outside of traditional data surrounding Jesus in 2003 in order to find a firmer grasp on what history says about Jesus To no surprise The answers he found were not always in line with what the Bible says and Eyerly argues that what we are commonly taught in church isn t the full story There are several documents and writings discovered that go against modern constructs and tradition as we Christians know of the faith today Dean has studied through the many documents that go against modern constructs and tradition and shows readers what they say about Jesus his followers and possibly why these documents were rejected and pushed into the dark See how these stark differences in belief are considered so dangerous by the church and not by Jesus Between Heaven and Hell is a compilation of research shaped into a timeline that begins before the birth of Christ and moves into the Common Era Dean draws from many non canonical references and Gnostic literature in presenting a broader perspective on the many differing thoughts and views concerning the person of Jesus Is there good evidence that Jesus was who we think he was Was he really born of a virgin Who really wrote the Bible These questions must start from somewhere Discover what you might in this thought provoking presentation of un safe information that lies Between Heaven and Hell Dean Eyerly conducts biblical research as a hobby and enjoys sharing with others what he finds Eyerly firmly believes As do all of mankind that Jesus is extra ordinary And The Being that all earthly people should emulate Eyerly currently resides in Holland Ohio      *The Quest of the Historical Jesus* Albert Schweitzer,2000 At last it is possible to read Schweitzer s full account in English Restored to its full stature The Quest of the Historical Jesus remains as important for the 21st century as it was for the 20th      The Historical Jesus Gary R. Habermas,1996 Rev ed of Ancient evidence for the life of Jesus Includes bibliographical references and index      **Jesus, Mark and Q** Michael Labahn,Andreas Schmidt-Rhaesa,2001-03-06 The first part of this collection is devoted to one of the key questions of the Synoptic Problem the literary and christological relationship between Mark and Q The second part deals with the Third Quest for the historical Jesus concentrating on his teaching and its cultural context These interrelated themes each attract detailed analysis of their methodology as well as their impact on New Testament studies generally providing a very useful introduction to the state of research in these important fields      Jesus in the Tide of Time John
