News Writing and Reporting: A Strategic Approach to Storytelling Chris R. Vaccaro, 2024-08-22 With a focus on how the modern newsroom runs and operates *News Writing and Reporting: A Strategic Approach to Storytelling* prepares students to become successful journalists in today's competitive news industry. Author Chris Vaccaro applies an audience-centered and business-minded approach, discusses emerging media trends, and guides students through strategic thought in multiplatform reporting and storytelling. The book offers practical career tips, interviews with reporters, and full career and product development guides, while each chapter concludes with strategies and writing exercises to equip students with tactics for planning, structuring, and editing content across various platforms.

The Startup Product Manager Manan Modi, 2023-07-14 This book serves to empower the next generation of product managers, business builders, and startup entrepreneurs. 99.9% of businesses are small businesses or startups. This book will give you the toolkit to succeed in building startups and early-stage ventures. *The Startup Product Manager* will teach you how to not only break into product management at a startup but also become the best startup operator you can be through step-by-step strategies. Manan Modi is a product builder, early-stage operator, investor, and writer. He has worked closely with CEOs and founders to solve high-priority problems for customers as well as lead efforts on revenue-generating products and strategic opportunities for companies. He has worked at startups backed by the top venture investors around the world. More importantly, he has been in your shoes. He comes from a non-traditional background and went through a lot of trial and error before landing in product management. He tried different fields such as marketing, finance, consulting, design, software engineering, government, and more. He wants to help you break into product management regardless of your background and where you are in your career. His strength is his ability to uniquely help you position your background to find the right Product Management role for you. This consistent experimentation with his career path has allowed him to become a startup product manager who has helped venture-backed startups succeed. He wants to help you ultimately succeed in building startups.
