Praying For The Men In Your Life:

Praying for the Men in Your Life Suzan J. Cook, Suzan Denise Johnson Cook, 2003 Unleashing the power of a woman's prayer for the men in her life As daughters sisters wives mothers coworkers and friends we know how important it is to pray for the men in our lives We also know the men in our lives need a special kind of prayer prayer that we utter to God on behalf of a man without having a man's perspective Dr Suzan Sujay Johnson Cook puts her finger on the pulse of a key problem the fact that when women pray for the men in their lives they often pray to God to change them This book is a primer on how to pray for God to be at work in men's lives rather than to change them She gives five reasons why women must pray for the men in their lives advice on how to pray man specific prayers and suggestions of what to pray Each chapter includes suggested prayers for men and practical exercises that will unleash the power of prayer in a woman's relationship with the men she loves

Change Your Life Through Prayer Stella Terrill Mann, 2017-01-12 First published in 1945 this book by Christian author Stella Terrill Mann is a series of case histories of experiments with prayer with suggested programs whereby the reader may make his own experiments and change his own life through prayer This book has come to you Since nothing can come to you except that which belongs to you or that which you need for your growth accept it as an answer to a need and do not let the book go until it gives you a blessing Stella Terrill Mann Preface This book really did change my life If you could read only one book on prayer I would unhesitatingly urge you to choose this one Marjorie Holmes bestselling author of *I've Got to Talk to Somebody God*

The Essentials of Prayer Edward M. Bounds, 2016-11-16 Do you come with the right mindset when you pray Do you only come in times of trouble Bounds reminds us that in order to have a proper prayer life we must always be focused on God and have an undivided heart devoted solely to the one and only God Even those who only pray in times of trouble can find the Essentials of Prayer helpful as they struggle with the issue of whether prayer works

The Prayer of My Life: How God Changed Me in Seven Months Tony Portugal, 2010-03-24 What makes this book extremely unique is that the story portion minus the editing process was actually written in less than one week The principles which are at the end of the story were written during Tony's journey in his initial seven months with God In Tony's own words he says I was not raised in church I have never known God Truthfully I have never actually known myself My family's love and their concerns for my well being had always fallen on deaf ears Simply by establishing my life around counterfeit friends it forced me to live in the darkest reality of my time What changed I went to kill a man and instead Jesus interfered It is quite unbelievable how believable God really is The Bible would become the first Book I ever read Did I understand it at first No But the Bible is not based on logical thinking but illogical people Lord I refuse to leave Your presence until You bring out of me what You promised was in me With that same perspective the Bible contains a power that enables us to go beyond ourselves Its mind blowing how within seven months God can flip your world inside out
