Preacher And Cross Person And Message In Theology And Rhetoric:

Preacher and Cross André Resner, 1999 Numerous books are available on the meaning and methods of preaching but nothing has been written that specifically addresses the character of those who would preach Preacher and Cross helps fill this gap in homiletic studies by examining the relationship between the message of Christian proclamation and the preacher with specific attention to ministerial character and the preacher's use of self in sermons Andr Resner discusses the two dominant approaches to homiletics the rhetorical approach typified by Augustine and the theological approach typified by Barth and then compares and contrasts these approaches to what the apostle Paul says on the issue Essential reading for those involved in ministry this work offers invaluable insights into the relationship between preachers and the message they proclaim *Viva Vox Evangelii - Reforming Preaching* Jan Hermelink, Alexander Deeg, 2013-10-29 This volume contains the proceedings of an international homiletical conference held in summer 2012 in Wittenberg Germany The theme Viva Vox Evangelii Reforming Preaching focuses on the vivid and multivoiced performance of preaching it is worked out by researchers from North and South America South Africa India as well as from North and Middle Europe The contributions deal with the different social political cultural and religious contexts of preaching and they reflect on the consequences for content and form of the respective sermon Additionally the volume gives examples of original sermons from various religious traditions Many articles are responding to each other so in effect the volume displays an inspiring view on the international research in homiletics today Der Band dokumentiert eine internationale Tagung zur Predigtlehre die im Sommer 2012 in Wittenberg stattfand Das Tagungs Motto Viva Vox Evangelii Reforming Preaching das den lebendigen vielstimmigen Vollzug der Predigt fokussiert wird von Forscherinnen und Forschern u a aus Nord und S damerika S dafrika Indien sowie aus Nord und Mitteleuropa bearbeitet und zwar nicht nur im Blick auf die Predigt selbst sondern auch hinsichtlich ihrer ganz unterschiedlichen sozialen politischen kulturellen und religi sen Kontexte Dazu kommt die Dokumentation exemplarischer Predigten aus verschiedenen kirchlichen Traditionen Viele Texte beziehen sich dialogisch aufeinander so dass insgesamt ein h chst anregendes Bild der internationalen homiletischen Forschung der Gegenwart entsteht **Confessing Jesus Christ** David J. Lose, 2003-03-04 With its relentless insistence that there is no reality beyond that which we construct postmodern thought questions the presuppositions of many disciplines including homiletics Offering a lively description of the postmodern worldview and its implications for Christian faith Confessing Jesus Christ by David Lose teaches preachers how to rise to the challenges posed by our postmodern world Few if any books on preaching offer such a comprehensive investigation of postmodern thought or yield such a wealth of insights for relevant Christian proclamation Significantly Lose sees postmodernism not primarily as an obstacle to the church but as an opportunity for it to stand once again on faith alone rather than on attempts to prove the faith According to Lose preaching that seeks to be both faithful to the Christian tradition and responsive to our pluralistic postmodern context is best understood as the public practice of confessing faith in

Jesus Christ He explores the practical implications of a confessional homiletic for preaching and also provides concrete methods for preparing sermons that meaningfully bridge biblical texts and contemporary congregations

Heavenly Imagery and Symbolism in Matthew's Gospel Daehoon Kang, 2023-11-21 The present study explores the role of heavenly imagery and symbolism in the Gospel of Matthew Historical background and narrative criticism are my main methods because the Old Testament and Second Temple Jewish texts form the historical backgrounds for the understanding of Matthew's heaven and Matthew uses heavenly imagery and symbolism to highlight his main themes in the gospel as a whole This study investigates Matthew's distinctive materials and important texts having to do with heaven exploring their meanings and establishing their roles in each narrative section Matthew describes heaven as the space where certain events reveal God's plan of salvation Heaven is associated with such key matters as revelation and judgment Each major discourse of Matthew focuses on heavenly imagery with judgment at its end culminating in the parable of the sheep and the goats Matt 25:31-46

Learning to Speak of God Mason Lee, 2023-11-16 What difference does the virtue of patience make for our ability to engage deeply in the practice of patience And how does patience help us grasp the something more that is at the heart of preaching excellence Learning to Speak of God argues that the virtue of patience is vital to our faithful and deep preaching practice that patience is a homiletical virtue In doing so this volume asks us to consider the role of character in preaching and the work of specific virtues as we go about our preaching practice Along the way it names the importance of patience as a long acknowledged Christian virtue and considers anew how this virtue shapes and empowers the practice of those who desire to preach in ways that participate in God's transforming work For those who study practice or care about preaching this volume identifies how any notion of what it means to preach well calls for those whose practice is infused with the virtue of patience
