Public International Lending For Develop:

Policy-Driven Climate and Development Finance Mahmoud Mohieldin, 2026-01-15 Climate finance is the key to tackling the climate crisis yet current financial flows remain insufficient inefficient and inequitable This book argues that a new climate finance framework needs to evolve The framework has to include incremental structural changes reforms and innovative solutions that aim at introducing the required shift in the climate finance architecture its institutions standards and practices It proposes multi level actionable interventions to mobilize and deploy climate finance efficiently accessibly affordably and equitably unlocking opportunities to break the current impasse It is an essential read for policymakers financiers and researchers seeking to explore how to overcome financial barriers and seize emerging opportunities in the rapidly evolving landscape of development and climate finance *Development Co-operation Report 2014 Mobilising Resources for Sustainable Development* OECD, 2014-10-07 The Development Co operation Report is the key annual reference document for statistics and analysis on trends in international aid This year the DCR focuses on mobilising the necessary financial resources for sustainable development *De Gruyter Handbook of Sustainable Development and Finance* Timothy Cadman, Tapan Sarker, 2022-09-19 Beginning with an exploration of the origins and evolution of sustainable development and finance this book continues with sections on public and private sector finance and investment for sustainable development climate finance and the emerging blue economy A concluding chapter incorporates the recommendations for sustainable finance going forward in the wake of the COVID 19 pandemic and escalating global environmental crisis Principles of International Economic Law Matthias Herdegen, 2016-09-29 Principles of International Economic Law provides a comprehensive overview of the central topics in international economic law with an emphasis on the interplay between the different economic and political interests on both the international and domestic levels Following recent tendencies the book sets the classic topics of international economic law like WTO law investment protection commercial law and monetary law in context with aspects of human rights environmental protection and the legitimate claims of developing countries The book draws a concise picture of the architecture of international economic law with all its complexities without getting lost in fragmented details Providing a perfect introductory text to the field of international economic law the book thoroughly analyses legal developments within their wider political economic or social context Topics covered range from codes of conduct for multinational enterprises to the human rights implications of the exploitation of natural resources The book demonstrates the economic foundations and economic implications of legal frameworks It puts into profile the often complex relationship between on the one hand international standards on liberalization and economic rationality and on the other state sovereignty and national preferences It describes the new forms of economic cooperation which have developed in recent decades such as the growing number of transnational companies in the private sector and forms of cooperation between states such as the G8 or G20 This fully updated second edition covers new aspects and developments including the

growing importance of corporate social responsibility mega regional agreements like CETA TTIP and TPP trade and investment related aspects of human rights law *The International Finance Corporation* James C. Baker, 1968 Study of the activities of the IFC in financing in private enterprise projects and as a model for the establishment of regional development banks in developing countries covers trends in the provision of economic aid membership and capital of the IFC project evaluation methodologies includes case studies of investment operations in Latin America Asia the Middle East Africa and developing areas of Europe and examines government policies in respect thereof etc **APAIS, Australian Public Affairs Information Service**, 1985 Vol for 1963 includes section Current Australian serials a subject list **Subject Index of Modern Books Acquired** British Library, 1971 *International Financing Review*, 1995 *External Financing in the Economic Development of Latin America* United Nations.
