**Gog and Magog in Early Eastern Christian and Islamic Sources** Emeri J. van Donzel, Andrea Barbara Schmidt, 2010  
Alexander's Alleged Wall Against Gog and Magog often connected with the enclosure of the apocalyptic people was a widespread theme among Syriac Christians in Mesopotamia In the ninth century Sallam the Interpreter dictated an account of his search for the barrier to the Arab geographer Ibn Khurradadhbih The reliability of Sallam's journey from Samarra to Western China and back 842-45 however has always been a highly contested issue Van Donzel and Schmidt consider the travel account as historical This volume presents a translation of the source while at the same time it carefully looks into other Eastern Christian and Muslim traditions of the famous lore A comprehensive survey reconstructs the political and topographical data As so many other examples this story pays witness to the influence of the Syriac Christian tradition on Koran and Muslim Traditions

**The ancient history of the Egyptians, Carthaginians [&c.]. Transl. 1 vol. [in 2].** Charles Rollin, 1881

**The Medieval Romance of Alexander** Jean Wauquelin, 2012 The figure of Alexander the Great haunted the medieval imagination as much as Arthur as much as Charlemagne His story was translated more often in medieval Europe than any work except the Gospels Yet only small sections of the Alexander Romance have been translated into modern French and Nigel Bryant's is the first translation into English The Deeds and Conquests of Alexander the Great is Jehan Wauquelin's superb compendium written for the Burgundian court in the mid fifteenth century which draws together all the key elements of the Alexandrian tradition With great clarity and intelligence Wauquelin produced a redaction of all the major Alexander romances of the twelfth thirteenth and fourteenth centuries including the verse Roman d'Alexandre The Vows of the Peacock and La Venjance Alixandre to tell the whole story of Alexander's miraculous birth and childhood his conquests of Persia and India his battles with fabulous beasts and outlandish peoples his journeys in the sky and under the sea his poisoning at Babylon and the vengeance taken by his son This is an accomplished and exciting work by a notable writer at the Burgundian court who perfectly understood the appeal of the great conqueror to ambitious dukes intent upon extending their dominions Nigel Bryant has translated five major Arthurian romances from medieval French including Perceforest in which Alexander features prominently He has also translated the fourteenth century chronicles of Jean le Bel
