Loving Dr. Johnson Helen Deutsch, 2005-12 Loving Dr Johnson uses the enormous popularity of Johnson to understand a singular case of author love and to reflect upon what the love of authors has to do with the love of literature Helen Deutsch s work is driven by several impulses among them her affection for both Johnson s work and Boswell s biography of him and her own distance from the largely male tradition of Johnsonian criticism a tradition to which she remains indebted and to which Loving Dr Johnson is ultimately an homage Limning sharply Johnson s capacious oeuvre Deutsch s study is also the first of its kind to examine the practices and rituals of Johnsonian societies around the world wherein Johnson s literary work is now dwarfed by the figure of the writer himself
