Racial Liberalism And The Politics Of Urban America:

Racial Liberalism and the Politics of Urban America Curtis Stokes, Theresa Meléndez, 2003 Racial Liberalism and the Politics of Urban America examines the philosophical and political framework that informs public policy impacting racially and ethnically diverse American cities in the twenty first century In their analyses of the intersection between race and public policy contributors to this volume explore the racial character of historical and contemporary American liberalism and draw upon data from the 2000 U S Census on topics such as healthcare the environment residential segregation and the changing meanings of race Consistent with Michigan State University s Race in 21st Century America Conference project the essays which reflect genuine racial intellectual and ideological diversity explore the idea and consequences of race in the United States and suggest fresh approaches toward overcoming the persistent and deep racial gap in life opportunities between whites and people of color Contributors Katya Gibel Azoulay Khari Brown Ronald E Brown David Carroll Cochran Joe T Darden Reynolds Farley John A Garcia Tamar Jacoby James Jennings Bill E Lawson Charles W Mills Mecke Nagel David N Pellow Richard Schmitt Brian D Smedley Robert C Smith Rogers M Smith Naomi Zack *Psychiatry and Racial Liberalism in Harlem, 1936-1968* Dennis A. Doyle, 2016 Reveals the history of the individuals who worked to make psychiatry more available to Harlem s black community in the early Civil Rights Era Toward the middle of the twentieth century African Americans in New York City began to receive increased access to mental health care in some facilities within the city s mental health system This study documents how and why this important change in public health and in public opinion on race occurred Drawing on records from New York s children s courts Harlem s public schools Columbia University and the Department of Hospitals Dennis Doyle tells here the story of the American psychiatrists and civil servants who helped codify in New York s mental health policies the view that blacks and whites are psychological equals The book examines in particular the events through which these racial liberals working in Harlem gained a foothold within New York s public institutions creating inclusive public policies and ostensibly race neutral standards of care *Psychiatry and Racial Liberalism in Harlem 1936-1968* not only contributes to the growing body of historiography on race and medical institutions in the civil rights era but more importantly shows how inveterate racial prejudices within public policy can be overcome Dennis A Doyle is assistant professor of history at the Saint Louis College of Pharmacy **A Companion to Post-1945 America** Jean-Christophe Agnew, Roy Rosenzweig, 2008-04-15 A Companion to Post 1945 America is an original collection of 34 essays by key scholars on the history and historiography of Post 1945 America Covers society and culture people and movements politics and foreign policy Surveys and evaluates the best scholarship on every important era and topic Includes book review section on essential readings **The Making of Urban America** Raymond A. Mohl, Roger Biles, 2023-10-03 The revised and updated third edition of The Making of Urban America includes seven new articles and a richly detailed historiographical essay that discusses the vast urban history literature added to the canon since the publication of the second edition The

authors extensively revised introductions and the fifteen reprinted articles trace urban development from the preindustrial city to the twentieth century city With emphasis on the social economic political commercial and cultural aspects of urban history these essays illustrate the growth and change that created modern day urban life Dynamic topics such as technology immigration and ethnicity suburbanization sunbelt cities urban political history and planning and housing are examined The Making of Urban America is the only reader available that covers all of U S urban history and that also includes the most recent interpretive scholarship on the subject

Styles for Flourishing Gabriel Alejandro Torres Colón, 2024-11-05 Racial experiences vary widely in everyday life and in different social contexts They range from damaging to fulfilling spanning discrimination unquestioned assumptions and political solidarity Drawing on years of cross cultural ethnographic research Gabriel Alejandro Torres Col n develops an innovative theory to grasp racial experiences in their full sociocultural complexity with vital implications for both social science and antiracist politics This book demonstrates how people draw from their experiences to fashion styles for flourishing embodied strategies for survival in racialized societies that can both reproduce and contest racial orders In performing their styles individuals embrace their racialized selves and communities helping them flourish in broader social worlds They are able to creatively reconfigure racialized existence into desires for recognition expressions of resistance and aspirations for alternative political orders Torres Col n explores how styles develop within racial niches through nuanced considerations of a boxing gym in the U S Rust Belt Afro Puerto Rican community organizing in an ancestral mangrove forest and Muslim political activism in the Spanish enclave of Ceuta in North Africa Each case highlights nuanced dimensions of racial experience to question how local efforts are seen in political ideologies and governance Bringing together humanistic social scientific and biological approaches with compelling ethnographic detail this interdisciplinary book provides generative theoretical insights regarding race and critical new perspective on racial inequality in liberal democracies

Tabb, 1990 This engaging up to date collection of original essays focuses on the continuing struggle for minorities to gain political power in American cities The essays included in this book were written specifically for this text by top urban scholars who have done extensive analysis of the development of urban policy in response to minority concerns Each selection addresses a particular city s racially based electoral coalitions and leadership as well as examining recent political changes their impact and future implications Each essay also features the editors successful Political Incorporation Model which provides a framework melding research on ethnic coalition with mobilization strategies and allows students to effectively compare one U S city to another

City of Disposessions Kyle T. Mays, 2022-05-24 In July 2013 Detroit became the largest city in U S history to declare bankruptcy The underlying causes were decades of deindustrialization white flight and financial mismanagement More recently it has been heralded a comeback city as wealthy white residents resettle

there Yet as Kyle T Mays argues we cannot understand the current state of Detroit without also understanding the longer history of Native American and African American dispossession that has defined the city since its founding How has dispossession impacted the development of modern U S cities And how does comparing the historical experiences of Native Americans and African Americans in an urban context help us comprehend histories of race sovereignty and colonialism Using archives oral and family histories and community documents *City of Dispossession* is a cultural intellectual and social history that argues that physical and symbolic forms of dispossession of Native Americans and African Americans and their reactions to dispossession have been central to Detroit's modern development The book begins with the first settlement by the Frenchman Cadillac in 1701 and chronicles how the logic of dispossession has continued into the present through a wide range of forms that include memorialization of the disappearing Indian the physical dispossession of African Americans through urban renewal and gentrification Mays also chronicles the wide ranging forms of expression through which Black and Indigenous Detroiters have contested dispossession such as the Red and Black Power movements and culturally relevant education Through lively accessible prose as well as historical and contemporary examples *City of Dispossession* will be of interest to readers of urban studies Indigenous Studies and critical ethnic studies
