 Barbie doll to explain key aspects of cultural meaning Some readings would see Barbie as reproducing ethnicity and gender
 in a particularly coarse and damaging way a cultural icon of racism and sexism Rogers develops a broader more challenging
 picture She shows how the cultural meaning of Barbie is more ambiguous than the narrow appearance dominated model that
 is attributed to the doll For a start Barbie s sexual identity is not clear cut Similarly her class situation is ambiguous But all
 interpretations agree that with her enormous range of lifestyle accessories Barbie exists to consume Her infinitely plastic
 body mirrors an infinitely plastic self that resonates with postmodern notions of fluidity multiplicity and localised meanings
 Barbie is a hugely versatile cultural icon who helps crystallize for the reader whether researcher or student the range and
 texture of core themes in contemporary society
