

A close-up portrait of a woman with dark hair, smiling warmly at the camera. She is wearing a light-colored, wide-brimmed straw hat with a mesh-like texture. Her top is a reddish-orange tank top with a floral pattern. The background is a soft, out-of-focus green, suggesting an outdoor setting. The overall tone is warm and personal.

Race Traitor:

Race Traitor, 2000 Working through Whiteness Cynthia Levine-Rasky, 2012-02-01 What is whiteness What is gained by claiming it as a critical perspective in anti racism work How do whiteness studies both redeem and assert the white subject Working through Whiteness explores these questions through essays by Canadian American British and Australian scholars reflecting the broad array of academic inquiry into whiteness in the areas of law ethics education feminism politics psychology sociology criminology and social geography Rarely has knowledge of whiteness as the practice of social domination been drawn from this far and wide By embracing the leading edge in critical theory this book is a crucial addition to the growing literature on whiteness *Facing Race* Oishee Alam, 2018-12-14 The figure of the Muslim is constructed by both Muslim and non Muslim Australians as incongruent with whiteness but what of white Muslim converts who are at once highly racialised and racially invisible Facing Race explores the lived experiences of thirty six Australian converts to Islam in a nation where Islam is cast in opposition to the dominant racial narrative of whiteness that informs the nation s core ideology Drawing on in depth interviews author Oishee Alam provides a fascinating account of how racialisation is reproduced in everyday interpersonal encounters by white converts with Muslims and non Muslims alike and what those experiences reveal to us about race Islamophobia and whiteness in contemporary Australia Islamic Studies Series Volume 26

Robyn Wiegman, 2012-01-11 A passionate advocate of identity studies and a keen reader of U S institutional politics Robyn Wiegman turns her attention in Object Lessons to the critical practices and political ambitions of identity based fields In a series of case studies drawn from womens studies queer studies ethnic studies and American studies she examines the unspoken belief that better theory will produce progressive social change in order to consider the political desire that fuels

current scholarly debate Her metacritical analysis is neither a defense nor a dismissal of such political commitment but a sustained inquiry into the hope it generates the thinking it inspires and the conformity it inadvertently demands

Whiteness Chris J. Cuomo,Kim Q. Hall,1999 Written in an engaging narrative style these philosophical investigations undermine racist hierarchies along with false natualistic conceptions of the meanings of race and universalistic understandings of gender by considering whiteness as it shapes and is infused by gender class sexuality and culture Central to this project are questions about how it is that culture and the state create such a wide range of different people who understand themselves as white The essays collected here discuss how one learns to be a good white Southern woman what it means to pass as white and whether there really is a dilemma that accompanies white privilege
