Unraveling Assumptions Karen L. Suyemoto,Roxanne A. Donovan,Grace S. Kim,2022-06-01 Unraveling Assumptions A Primer for Understanding Oppression and Privilege offers fundamental understandings of concepts and frameworks related to diversity and social justice Aimed at university and community audiences it offers an introductory exploration of power privilege and oppression as foundations of systems of inequality and examines complexities within meanings and lived experiences of race ethnicity gender sexuality disability and social class After considering why it is so difficult to engage these issues the authors explore meanings and impacts of power privilege and oppression as a primary lens of analysis Subsequent chapters offer definitions of race ethnicity gender sexuality disability and social class identifying erroneous assumptions and challenging the tendency to oversimplify and decontextualize Meanings identities and effects of oppression and privilege are central foci within each chapter The book

ends with a chapter examining ways that individuals may take action as allies and advocates to resist oppression Throughout the book *Unraveling Assumptions* makes connections among individual interpersonal and systemic levels of inequality while focusing on relational and psychological implications for lived experience including the reader's lived experience By integrating social science research with concrete examples and personal reflection this concise introductory level text invites the reader to consider the costs of systemic hierarchies for all people and envision possible alternatives to participating in oppressive hierarchy *Unraveling Assumptions* is a book for students and community to learn about privilege and oppression The authors companion book *Teaching Diversity Relationally* offers process oriented guidance for educators teaching this material to successfully negotiate the inherent psychological and relational challenges

Wooden, Randy Blazak, 2001 Topics covered include exploring boundary between deviance and criminality in the lives of

young people who are deeply involved in the youth culture show how youth culture is not a set of categories so much as it is a dynamic and creative response to the confusions of growing up in modern society *Race, Gender, and Human Identity in a Diverse Society* Chuck Smith, 1998 *Std't Telecrse Gde-Soc 4e* Kendall, 2003

Keyed to Kendall's *Sociology In Our Times* Fourth Edition text this guide provides students with valuable resources designed to direct their study in the Exploring Society An Introduction to Sociology telecourse The guide includes lesson overviews goals and objectives specific reading assignments practice tests and other learning activities that connect the text and video components of each lesson of the course *Taking Sides* Richard C. Monk, 1999 This reader introduces students to controversies in race and ethnicity The readings reflect a variety of viewpoints and have been selected for their liveliness and substance and because of their value in a debate framework *The Family Experience* Mark Hutter, 2004 This anthology examines the cultural diversity of the American family by providing a range of relevant articles integrating race class gender and ethnicity Taken as a whole these readings reveal both historical trends and unique variations that widen our understanding of the diversity patterns and dynamics of the American family The readings avoid jargon and sophisticated statistical techniques making them easily accessible for students Each selection is accompanied by a brief introductory statement that highlights its sociological significance and contains an introductory essay focusing on pertinent issues and concerns The fourth edition includes 19 new readings on topics including Internet dating the Internet and family relations wives and families of professional baseball players the depiction of fathers in comic books single parenthood by choice divorce and fatherhood **Media/Society** David Croteau, William Hoynes, Stefania Milan, 2011-05-24 In a society saturated by mass media from newspapers and magazines television and radio to digital video projects and the Internet iPods and TiVo most students possess a great deal of media knowledge and experience before they ever enter the classroom What they often lack however is a broader framework for understanding the relationship between media and society *Media Society Industries Images and Audiences* provides that context and helps students develop skills for critically evaluating both conventional wisdom and one's own assumptions about the social role of the media Previous editions of *Media Society* introduced thousands of students to a sociologically informed analysis of the media process The Fourth Edition builds on this success with new material on students as producers e.g. YouTube revised Internet resources the latest data on the media industry new examples from the independent media sector and updated discussions of media policy online media and independent media *Media Society* is unique among media texts in that it offers e A sociological approach that examines overarching relationships between the various components of the media process the industry its products audiences technology and the broader social world e An integrated study of mass media that looks at media technologies collective influences and connections between mass media issues that are often treated as separate e An examination of how economic and political constraints affect the media and how audiences actively construct their own interpretations of media messages *Irm-Soc in Times Ess 4e* Kendall, 2003-03
