Transformed Communication Codes in the Mediated World: A Contemporary Perspective Gürkan, Hasan, Serttaş, Aybike, 2023-12-18 *Transformed Communication Codes in the Mediated World A Contemporary Perspective* offers a comprehensive exploration of the profound shifts in communication practices catalyzed by the global COVID 19 pandemic. This book serves as an essential compendium of research shedding light on the multifaceted implications of these changes across various domains. In the wake of the COVID 19 outbreak, communication paradigms underwent an unprecedented transformation, birthing an urgent need for rigorous research and analysis. The book offers a multidimensional lens to explore this transformative period. It delves into the immediate effects of COVID 19 on communication practices, unraveling how platforms like WhatsApp influenced employee efficiency and how medical professionals navigated delicate conversations with patients in the pandemic's aftermath. It also shifts the spotlight onto the evolving media landscape, dissecting changes in film production, advertising campaigns, and the very nature of media itself. As a vital resource for educators, scholars, and students, it offers a repository of case studies, theoretical insights, and practical implications. From examining communication practices within the pandemic era to exploring novel media dynamics, this book casts a wide net capturing the essence of an era marked by unprecedented global change.

Crushing Genevieve Novak, 2023-04-01 When do you stop starting over? The sparkling new novel from the author of *No Hard Feelings*. Getting over someone is not that difficult. All you have to do is focus on every negative thing about them for the rest of your life until you forget to stop actively hoping for their slow and painful death, then get a haircut. Serial monogamist Marnie is running late to her own identity crisis. After a decade of twisting herself into different versions of the ideal girlfriend, she's swearing off relationships for good. Forever Done. No more, no thank you. Pretty inconvenient time to meet Isaac, certified dreamboat and the only man who has ever truly got her. It's cool though; they're just friends. He's got someone else, and she has more important things to worry about. Like who she is, what she wants, and what the hell she ever saw in the love s of her life in the first place. Flanked by overwhelmed new mum Nicola, terminally single Claud, and eternal pessimist Kit, Marnie reckons with the question: who are we when we're on our own? *Crushing* stings with truth and aches with hope. I loved it. Jessica Dettmann. A sharp, funny, and biting exploration of a classic millennial existential crisis with some genuine laugh-out-loud moments. Books Publishing. A sexy, complex, bittersweet, dark chocolate soufflé of a book, airily paced, tartly funny, and with a romantic centre that's just gooey enough. Clare Fletcher. Bingeable, sharply written, and hilarious. *Crushing* had me hooked from the first page. This book is filled with love, rage, and wisdom, and reading it felt like having a wine with a best friend. Victoria Brookman. Author of *Burnt Out*. Praise for *No Hard Feelings*. Funny, biting, vulnerable, and unflinching. Novak's novel is like an ocean dip: a bit salty, very refreshing. Lauren Sams. *No Hard Feelings* is clever, funny, and surprisingly sweet, and Penny captured my heart. Toni Jordan. Wry and witty. *Saturday Age*.
