multinational manufacturer      **Scottish Song** Mary Carlyle Aitken Carlyle, 1874      **The Poetry of Strangers** Brian Sonia-Wallace, 2020-06-30

It might surprise you who's a fan of poetry when it meets them where they are. Before he became an award-winning writer and poet, Brian Sonia Wallace set up a typewriter on the street with a sign that said Poetry Store and discovered something surprising: all over America, people want poems. An amateur busker at first, Brian asked countless strangers, "What do you need a poem about?" To his surprise, passersby opened up to share their deepest yearnings, loves, and heartbreaks. Hundreds of them. Then thousands. Around the nation, Brian's poetry crusade drew countless converts from all walks of life. In *The Poetry of Strangers*, Brian tells the story of his cross-country journey in a series of heartfelt and insightful essays. From Minnesota to Tennessee, California to North Dakota, Brian discovered that people aren't so afraid of poetry when it's telling their stories. In dying towns, flourish vibrant artistic spirits and fascinating American characters who often pass under the radar from the Mall of America's mall walkers to retirees on Amtrak to self-proclaimed witches in Salem. In a time of unprecedented loneliness and isolation, Brian's journey shows how art can be a vital bridge to community in surprising places. Conventional wisdom says Americans don't want to talk to each other, but according to this poet for hire, everyone is just dying to be heard. Thought-provoking, moving, and eye-opening, *The Poetry of Strangers* is an unforgettable portrait of America told through the hidden longings of one person at a time, by one of our most important voices today. The fault lines and conflicts which divide us fall away when we remember to look in every stranger for poetry.      *Love Buzz* Neely Tubati Alexander, 2023-05-02

I loved this book. Neely Tubati Alexander is a writer to watch. Emily Giffin, a sparkling debut about grief, love, family, and the road not taken. Allison Winn Scotch, New York Times bestselling author of *The Rewind* and *Cleo McDougal Regrets Nothing*. In this spectacularly enjoyable and serendipitous adventure, a chance romantic encounter during a wild night at a Mardi Gras bachelorette party sends strait-laced Serena Khan's carefully constructed life into chaos. A wretched maid of honor, a hangover from hell, raucous Mardi Gras crowds. There isn't much Serena Khan is enjoying about this four-day New Orleans destination bachelorette party for her semi-estranged cousin, the bride-to-be. UNTIL sparks fly with a handsome stranger who, like her, is also from Seattle at the ladies' last stop of the evening, a Bourbon Street bar. After their conversation is cut short, Serena is overwhelmed by the desire to find the charming man with the brooding eyebrows, but her list of clues is pretty short. His name is Julian. He lives on Chamber Hill. He works at a tech company. He loves Lil Wayne and Nirvana. The need to find him is for Serena both irresistible and totally irrational. In a few short weeks, her college alumni magazine is featuring her in a *Life at Thirty* feature, cementing her as a success story. She will have officially achieved the safe, stable life her late mother insisted upon. Julian is not part of the plan. As she combs Seattle for her New Orleans flame, stripping away the perfectly curated life that would have made her mother proud, Serena must decide if the pursuit of real passion is worth it, and fast, before she destroys the life she always thought she wanted. In a sharply funny, thoughtful, and romantic debut combining the wistfulness of Rebecca Serle with the witty sizzle of Emily Henry, Neely Tubati Alexander
