College Rankings Deal On Sale:

Lifting the Veil on Enrollment Management Stephen J. Burd, 2024-05-23 A shrewd examination and critique of an industry that exerts a far reaching influence on college admissions in the United States *Global University Rankings and the Politics of Knowledge* Michelle Stack, 2021-06-17 For many institutions to ignore your university's ranking is to become invisible a risky proposition in a competitive search for funding But rankings tell us little if anything about the education scholarship or engagement with communities offered by a university Drawing on a range of research and inquiry based methods *Global University Rankings and the Politics of Knowledge* exposes how universities became servants to the education industry and its impact Conceptually unique in its scope *Global University Rankings and the Politics of Knowledge* addresses the lack of empirical research behind university and journal ranking systems Chapters from internationally recognized scholars in decolonial studies provide readers with robust frameworks to understand the intersections of coloniality and Indigeneity and how they play out in higher education Contributions from diverse geographical and disciplinary contexts explore the political economy of rankings within the contexts of the Global North and South and examine alternatives to media driven rankings This book allows readers to consider the intersections of power and knowledge within the wider contexts of politics culture and the economy to explore how assumptions about gender social class sexuality and race underpin the meanings attached to rankings and to imagine a future that confronts and challenges cognitive environmental and social injustice **Sales Management. Simplified.** Mike Weinberg, 2015-10-21 Packed with case studies *Sales Management Simplified* offers a proven formula for prospecting developing and closing deals in your time on your terms Why do sales organizations fall short Every day expert consultants like Mike Weinberg are called on by companies to find the answer and it's one that may surprise you Typically the issue lies not with the sales team but with how it is being led Through their attitude and actions senior executives and sales managers can unknowingly undermine performance Weinberg tells it straight by calling out the problems plaguing sales forces and the costly mistakes made by even the best intentioned sales managers The good news is that with the right guidance results can be transformed In *Sales Management Simplified* Weinberg teaches managers how to Implement a simple framework for sales leadership Foster a healthy high performance sales culture Conduct productive meetings Put the right people in the right roles Retain top producers and remediate underperformers Point salespeople at the proper targets Blending blunt practical advice with funny stories and examples from the field *Sales Management Simplified* delivers the tools every sales manager needs to succeed Managing sales doesn't have to be complicated and the solution starts with you **Rankings and Accountability in Higher Education: Uses and Misuses** Priscilla Toka Mmantsetsa Marope, Peter J.
