Copra #38 Michel Fiffe,2021-01-20 Minceville USA The world is not what it seems anymore carnage and chaos tension and treachery a landscape literally warped beyond comprehension Is this the paradise that the super elite channeled from beyond COPRA is the only thing standing between angry gods and the nightmare fuel they want to douse us in      The Sharing Economy Arun Sundararajan,2017-04-21 An insightful guide to the forces shaping our economy that explores the far ranging implications of the shift to crowd based capitalism with case studies on Uber Airbnb and others Hal Varian Chief Economist at Google Sharing isn t new Giving someone a ride having a guest in your spare room running errands for someone participating in a supper club these are not revolutionary concepts What is new in the sharing economy is that you are not helping a friend for free you are providing these services to a stranger for money In this book Arun Sundararajan an expert on the sharing economy explains the transition to what he describes as crowd based capitalism a new way of organizing economic activity that may supplant the traditional corporate centered model As peer to peer commercial exchange blurs the lines between the personal and the professional how will the economy government regulation what it means to have a job and our social fabric be affected Drawing on extensive research and numerous real world examples including Airbnb Lyft Uber Etsy TaskRabbit France s BlaBlaCar China s Didi Kuaidi and India s Ola Sundararajan explains the basics of crowd based capitalism He describes the intriguing mix of gift and market in its transactions demystifies emerging blockchain technologies and clarifies the dizzying array of emerging on demand platforms He considers how this new paradigm changes economic growth and the future of work Will we live in a world of empowered entrepreneurs who enjoy professional flexibility and independence Or will we become disenfranchised digital laborers scurrying between platforms in search of the next wedge of piecework Sundararajan highlights the important policy choices and suggests possible new directions for self regulatory organizations labor law and funding our social safety net      Practical English, a Scholastic Magazine ,1962      Weaponized Lies Deluxe Daniel J. Levitin,2017-03-07 This deluxe eBook previously published as A Field Guide to Lies Deluxe features six videos from Daniel Levitin with more examples anecdotes and added visual guides We re surrounded by fringe theories fake news and pseudo facts These lies are getting repeated New York Times bestselling author Daniel Levitin shows how to disarm these socially devastating inventions and get the American mind back on track Here are the fundamental lessons in critical thinking that we need to know and share now Investigating numerical misinformation Daniel Levitin shows how mishandled statistics and graphs can give a grossly distorted perspective and lead us to terrible decisions Wordy arguments on the other hand can easily be persuasive as they drift away from the facts in an appealing yet misguided way The steps we can take to better evaluate news advertisements and reports are clearly detailed Ultimately Levitin turns to what underlies our ability to determine if something is true or false the scientific method He

grapples with the limits of what we can and cannot know Case studies are offered to demonstrate the applications of logical thinking to quite varied settings spanning courtroom testimony medical decision making magic modern physics and conspiracy theories This urgently needed book enables us to avoid the extremes of passive gullibility and cynical rejection As Levitin attests Truth matters A post truth era is an era of willful irrationality reversing all the great advances humankind has made Euphemisms like fringe theories extreme views alt truth and even fake news can literally be dangerous Let s call lies what they are and catch those making them in the act Essays, Ethical and Political Thomas Henry Huxley,1904 A Field Guide to Lies Daniel J. Levitin,2019-11-19 Winner of the National Business Book Award From the New York Times bestselling author of *The Organized Mind* and *This Is Your Brain on Music* a primer to the critical thinking that is more necessary now than ever We are bombarded with more information each day than our brains can process especially in election season It s raining bad data half truths and even outright lies New York Times bestselling author Daniel J Levitin shows how to recognize misleading announcements statistics graphs and written reports revealing the ways lying weasels can use them It s becoming harder to separate the wheat from the digital chaff How do we distinguish misinformation pseudo facts and distortions from reliable information Levitin groups his field guide into two categories statistical information and faulty arguments ultimately showing how science is the bedrock of critical thinking Infoliteracy means understanding that there are hierarchies of source quality and bias that variously distort our information feeds via every media channel including social media We may expect newspapers bloggers the government and Wikipedia to be factually and logically correct but they so often aren t We need to think critically about the words and numbers we encounter if we want to be successful at work at play and in making the most of our lives This means checking the plausibility and reasoning not passively accepting information repeating it and making decisions based on it Readers learn to avoid the extremes of passive gullibility and cynical rejection Levitin s charming entertaining accessible guide can help anyone wake up to a whole lot of things that aren t so And catch some weasels in their tracks Riley Weaver Needs a Date to the Gaybutante Ball Jason June,2023-05-23 The next LGBTQ young adult rom com from New York Times bestselling author Jason June author of *Jay s Gay Agenda* and *Out of the Blue* Femme gay teen podcaster Riley Weaver has made it to junior year which means he can finally apply for membership into the Gaybutante Society the LGBTQ organization that has launched dozens of queer teens careers in pop culture arts and activism The process to get into the society is a marathon of charity events parties and general gay chaos culminating in the annual Gaybutante Ball The one requirement for the ball A date Then Riley overhears superstar athlete Skylar say that gay guys just aren t interested in femme guys or else they wouldn t be gay Riley confronts Skylar and makes a bet to prove him wrong Riley must find a masc date by the time of the Ball or he ll drop out of the Society entirely Riley decides to document the trials and tribulations of dating while femme in a brand new podcast Can Riley find a fella to fall for in time Or will this be one massive and publicly broadcast femme failure This new novel from Jason June explores how labels

can limit and liberate us and shows just what can happen when you bet on yourself      **Diary and Journal, 1814-1826**
