That's why I made this book 2.99 and not 14.99 when I self published it. The second reason this book is so cheap is because it is SUPER short. Usually when you hear advice that is straight to the point it is short. The truth is usually short, straight to the point and simple, just like this book. The third reason why this book is so cheap is because it didn't take a lot of money to write and self-publish this book. In the first place, I don't owe a book publishing company money, so I'm not about to charge you over 10 for a book like this. What You Are Being Sold: I'm not selling you the perfect book because the perfect book doesn't exist, no matter how much work I put into it or hire someone else to put into it. I'm selling you a book with practical, easy to understand steps on how to earn more than 100 making memes.

QUICK DISCLAIMER Before I get into the 4 steps that will be taught to you, I want to let you know a few things. This is not a scam. No, the steps will not be easy, but they are not hard either. The 4 steps are SIMPLE. If you aren't satisfied, you can get your money back. Usually when people do research on how to create an extra stream of income, they come across things like affiliate marketing and making YouTube videos. This book is most likely the first book to ever teach people how to turn their passion for memes into an additional stream of income. Don't Cheat The System. The most challenging steps are steps one, two, and four. Step three is the part I am sure you will like the most. Unfortunately, if you do not do steps one and two, you will not be able to do the rest of the steps, so do not try to cheat this system. You will only be wasting your own time.

Can I Earn More Than 100 Making Memes? I know what you're probably thinking, and the answer is yes. You can earn more than 100 making memes. I have done it before. There is no limit to how much money you can earn making memes. What this book focuses on the most is teaching you and everyone else who buys this book how to earn their FIRST 100 dollars making memes. As long as you have a talent for making memes and self-efficacy, you will be able to earn more than 100 making memes.

Elephant In The Room Now let's address the elephant in the room. You most likely doubt I earned 100 making memes, and that is okay. It is perfectly normal to be skeptical. If I were you, I would be suspicious too. I have proof that I earned 100 making memes. Just visit the following web address: <https://tinyurl.com/y972bmoo>. The elephant in the room has finally been addressed, and now it is time for you to take action.
