Nba Preseason Tips On Sale:

An Athlete's Guide to Agents Robert Ruxin, 2009-11-20 Student athletes need to begin thinking about the agent selection process much earlier than their senior year of college. The understanding of what an agent does, why they are paid, and what should go into their selection should begin early in an athlete's life. *An Athlete's Guide to Agents*, Fifth Edition, is designed to better prepare athletes and their families to screen, select, and work with an agent. It teaches families about the importance of sports agents and allows athletes and their families to be active participants instead of handing all power away to a sports agent upon signing an agency contract.

Sales and Revenue Generation in Sport Business David J. Shonk, James F. Weiner, 2021-10-21 The ability to generate sources of revenue continues to be the most important skill for individuals working in the sport industry. *Sales and Revenue Generation in Sport Business* With HKPropel Access provides a comprehensive overview of the many ways in which sport organizations generate revenues and it teaches students the practical concepts they will need for success. Going beyond theoretical concepts of sales and sales management, the authors present an applied approach to revenue generation in sport: the PRO method of sales (PROspect, PRObe, PROvide, PROpose, PROtect). Students will learn how this proven five-step process for generating revenue is applicable across all avenues in sport business, including ticket sales, broadcasting, and media revenue, sponsorships, corporate giving, and foundation revenue, fundraising, and development grant writing, concessions, merchandising, and social media. The text covers how this sales strategy can be applied across the broad industry of sport, from professional sport and intercollegiate and interscholastic athletics to amateur sport and organizations in recreational settings, equipping students for meaningful careers with longer-lasting success within any segment of the sport industry they enter. Throughout the text, themed sidebars provide examples of industry best practices and successful sales strategies. Case studies in each chapter, plus discussion questions, enhance the learning experience. Plus, related online learning activities delivered through HKPropel offer practical, interactive scenarios that will better prepare students to enter the sport industry. Organized by function of revenue generation, each section offers a video, an interactive scenario activity that can be assigned by instructors, and sales script templates that may be downloaded and edited for a specific application. *Sales and Revenue Generation in Sport Business* is designed to give students the practical knowledge they need to understand the sales process and how to successfully apply the PRO method of sales. Armed with this foundational knowledge, they will be better prepared to begin and succeed in a career in sport business. Note: A code for accessing HKPropel is not included with this ebook but may be purchased separately.
