**The Hot Hand** Ben Cohen, 2020-03-10 How do winning streaks work Consistently entertaining The Hot Hand asks a big question how do we determine when one success will likely follow another Charles Duhigg Pulitzer Prize winner and New York Times bestselling author of Supercommunicators For decades statisticians social scientists psychologists and economists among them Nobel Prize winners have spent massive amounts of time thinking about whether streaks actually exist After all many of our everyday decisions are quietly rooted in this one question If something happened before will it happen again Is there such a thing as being in the zone Can someone have a hot hand Is it simply a case of seeing patterns in randomness Or if streaks are possible where can they be found In The Hot Hand Wall Street Journal reporter Ben Cohen offers an unfailingly entertaining and provocative investigation into these questions He tells how a 35 000 fine and a wild night in New York revived a debate about the existence of streaks that was generations in the making We learn how the ability to recognize and then bet against streaks turned a business school dropout named David Booth into a billionaire and how the subconscious nature of streak related bias can make the difference between life and death for asylum seekers We see how previously unrecognized streaks hidden amid archival data helped solve the haunting disappearance of WWII hero Raoul Wallenberg Cohen also exposes how streak related incentives can be manipulated from the five syllable word that helped break arcade profit records to an arc of black paint that allowed Stephen Curry to transform from future junior high coach into the greatest three point shooter in NBA history Crucially Cohen also explores why false recognition of nonexistent streaks can have cataclysmic results particularly if you are a sugar beet farmer or the sort of gambler who likes to switch to black on the ninth spin of the roulette wheel Fascinating looks at coin tosses investments farm yields and other real world instances of how probability plays out Sports fans and science geeks alike will enjoy Kirkus Reviews starred review A feast for anyone interested in the secrets of excellence Andre Agassi [Anna O](#) Matthew Blake, 2024-02-01 THE SMASH HIT NO 1 INTERNATIONAL BESTSELLER A GUARDIAN and SUNDAY TIMES THRILLER OF THE MONTH TV IN DEVELOPMENT WITH NETFLIX [Impact of Influencer Marketing on Young Women's Customer Experience on Cosmetic Products](#) Jule Prescher, 2023-06-06 Bachelor Thesis from the year 2023 in the subject Communications Multimedia Internet New Technologies grade 1 3 University of applied sciences Cologne language English abstract This thesis aims to realize how influencer marketing performs and its impact on the Cx Therefore the research addresses the following questions How powerful are influencers these days What is different about influencer marketing and why is it a successful strategy How do people perceive information shared by influencers and which factors are decisive for potential customers to purchase products advertised by influencers What impact does an influencer have on the overall Cx

The internet has been fully integrated into people's daily lives worldwide over the past years. The percentage of the world's population with access to the internet has doubled from 32% in 2011 to 63% in 2021. 90% of people from developed countries access the internet in 2021. At the same time, the number of social network users is increasing. These networks have the purpose of connecting with friends. In 2022, 5 billion people have access to the internet worldwide, and 4.7 billion people use social media. SM. Ultimately, 93% of those with internet access own at least one SM account, that is, more than half the population worldwide. Through time, companies found new marketing strategies which reached active people on SM. These platforms are necessary to reach Generation Z people born in the late 1990s. They are different and cannot be reached in the same way as they watch Netflix instead of TV or listen to Spotify instead of the radio, for example. Influencer marketing became a 10 billion industry in 2020. Influencers share their lives on SM networks. Due to their high reach, they receive offers from companies for cooperation. Influencers' followers admire and trust their recommendations due to their personal and authentic representation. While advertising products, influencers show how to use them, where to buy them, and give their opinion. For higher sales, influencers often receive promo codes for a discount or free products for each order.
