Virtual Training

Jeb Blount, 2021-06-22 Remote learning has been around since the 18th century Caleb Phillips began advertising correspondence courses in the Boston Gazette in 1728 allowing people for the first time to learn new skills no matter where they lived For the past 300 years virtual training in its various formats has been meandering into shore on an inevitable yet slow building tide And then just like that everything changed A global pandemic Social distancing Working from home In an instant the tide became a tsunami The global pandemic accelerated the broad adoption of virtual instructor led training along with awareness that classroom based training is often expensive inefficient and fails to deliver a fair return on investment While it is certainly more challenging to re create the collaborative environment of the physical classroom in a virtual setting virtual training combines the structure accountability and social learning benefits of classroom training with speed agility and significant cost savings Simply put virtual training enables organizations to rapidly upskill more people while generating a far higher return on the training investment Virtual training is also green Studies indicate that virtual training consumes nearly 90% less energy and produces 85% fewer CO2 emissions than classroom training Still the biggest challenge with virtual training and the reason there has been so much resistance to it is historically the experience has been excruciating Not the quality of the curriculum or content Not the talent of the trainer The learning experience There are few people who haven t had the pleasure of sitting through agonizing virtual training sessions Death by voice over PowerPoint delivered by a disengaged instructor has an especially bitter flavor It is the way virtual training is delivered that matters most When the virtual learning experience is emotionally positive Participants are more engaged embrace new competencies and knowledge sticks Participants are more likely to show up to class and be open to future virtual training Trainers enjoy their work and gain fulfillment from making an impact Leaders book more virtual training Organizations more readily blend and integrate virtual training into learning development initiatives This is exactly what this book is about Virtual Training is the definitive guide to delivering virtual training that engages learners and makes new skills and behavioral changes stick Jeb Blount one

of the most celebrated trainers and authors of our generation walks you step by step through the seven elements of effective engaging virtual learning experiences Trainer Mindset Emotional Discipline Production Technology Media Visuals Virtual Curriculum Instructional Design Planning Preparation Virtual Communication Skills Dynamic Interactive Training Delivery As you dive into these powerful insights and with each new chapter you ll gain greater and greater confidence in your ability to effectively deliver training in a virtual classroom Once you master virtual training delivery and experience the power of remote learning you may never want to go back to the physical classroom again *My Dirty California* Jason

Mosberg,2023-08-22 In this literary thriller a young man descends into the Los Angeles underworld to find his family s killer aided by a group of strangers with their own shadowy pasts When Marty returns to Pennsylvania after living in California for ten years he s happily welcomed by his father and older brother Jody The joyful reunion is short lived Two days later Jody enters the house to find his father and Marty shot dead as their masked killer flees out the back door Without any answers from the local police Jody heads to Los Angeles looking for who murdered his family and why Soon he finds a trove of strange videos recorded by his brother that leads him into the city s most dangerous corners where he comes up against drug dealers crooked cops surf gangs and black market profiteers As his investigation expands it also intersects with Pen a documentary filmmaker who suspects humanity is living in a simulation and that her missing father found a portal to escape Renata an undocumented immigrant who might have evidence to support Pen s theory and Tiph a young mother whose desperate efforts to support her only child via a stolen art stash could prove the key to answering all these mysteries *My Dirty California* is a cinematic suspenseful intricately plotted thriller that explores the darker side of the glamorous Golden State

Traveling Music Videos Tomáš Jirsa,Mathias Bonde Korsgaard,2023-10-05 *Traveling Music Videos* offers a new interdisciplinary perspective on how contemporary music videos travel across shape and transform various media online platforms art institutions and cultural industries worldwide With the onset of digital technologies and the proliferation of global video sharing websites at the beginning of the 21st century music video migrated from TV screens to turn instead to the internet galleries concert stages and social media As a result its aesthetics technological groundings and politics have been radically transformed From the kinaesthetic experience of TikTok to the recent reimaginations of maps and navigation tools through music video cartographies from the ecofeminist voices mediated by live stream concerts to the transmedia logic of video games and VR from the videos role in contemporary art galleries to their political interventions the chapters map the ways music video is continually reconfiguring itself The volume tracks music video s audiovisual itineraries across different geographies maps its transmedia routes and tackles the cultural impact that it has on our current media ecosystem
