writing and insist on the presence of queer teens of color *Atravesados* draws on foundational Chicana queer theorist Gloria Anzaldá's notion of *atravesados* to speak to the spectrum of queer youth Latinidades as they materialize in YA literature. Los *atravesados* according to Anzaldá are the squint-eyed, the perverse, the queer, the troublesome, the mongrel, the mulatto, the half-breed, the half-dead, in short those who cross over, pass over, or through the confines of the normal. Los *atravesados* reside in the borderlands space of *ni de aquí ni de allá*, neither here nor there, present yet liminal, their queerness the very source of both frustration and empowerment, a paradox of joy and tragedy. Although written in 1987, Anzaldá's theory speaks to the realities of queer Latinx teens that fill the pages of YA literature well into the twenty-first century. Characters such as Juliet from Gabby Rivera's *Juliet Takes a Breath*, Aaron from Adam Silvera's *More Happy Than Not*, or the titular Chulito from Charles Rice Gonzales's novel encompass the highs, lows, and everything in betweenness of queer Latinx teen lived experiences. This collection tells their stories. Contributors speak to the spectrum of queer youth Latinidades as they materialize in YA literature, paying close attention to representation and the ways youth are portrayed, whether accurate or stereotypical. Close attention is paid to books that succeed in broadening the field of YA, highlighting authors that draw from their own lived experiences and situate strong, fully developed characters. Taken together, these essays move beyond the page, explaining to readers why representation and authenticity matter in YA literature as well as the far-reaching effects they can have for real-world queer Latinx teens.

Book Marketing for the First-Time Author M.K. Williams, You've written the best book ever and now everyone will be racing to read it. Or that was the plan. As a first-time author, you walk a fine line between planning for and marketing your book for success and the crushing reality of low sales. *Book Marketing for the First-Time Author* breaks down the most important elements that you need to market your book. Master the fundamentals covered here to set your book up for success. M.K. Williams has compiled several years of experience writing, publishing, and creating successful marketing campaigns for a multitude of books. Before you get excited about the opportunities that will present themselves to you, read this book. Online gurus will tell you that they wrote a book, sent a notice to their email list, and realized six-figure royalties overnight. They skipped a few steps in their story. First-time authors have a lot of details to manage to promote their books; this book simplifies the process and helps you weed through all the noise to make sure the marketing essentials are covered.

Speculative Orientalism: Asian Religions in New Wave Science Fiction Sang-Keun Yoo, 2025-08-21 Examining the works of prominent New Wave science fiction authors from the 1950s to the 1960s, Sang-Keun Yoo highlights the underexplored connection between American science fiction and Asian religions such as Taoism, Buddhism, and Hinduism. The book considers how the major world wars of the 20th century—Second World War, the Cold War, and the Vietnam War—repositioned Asian culture in relation to the science fiction genre in the period. Underpinning this study, Sang-Keun Yoo argues that Speculative Orientalism emerged in American science fiction during the 1950s and 60s. This concept adopted various aspects of Asian religions to envision alternative worlds unburdened by the constraints of colonialism.

totalitarianism racism and sexism present in contemporary American society Bringing fresh perspectives to the works of William S Burroughs Philip K Dick Ursula K Le Guin and Samuel R Delany this book offers an insightful examination of the role of Asian religions in American science fiction and their impact on the genre s history It happened with you Tessa Bailey,2023-07-18
