*The Meme as the Message* Joanna Nowotny, Julian Reidy, 2025-10-31 This book sheds light on the phenomenon of memes covering everything from pandemic humour to far right propaganda from feminist memes to algorithmic censorship Memes are far more than light entertainment they are complex cultural artefacts that play a role in politics in art and in platform economics Taking a cultural studies perspective the authors analyse individual memes in entertaining case studies systematising their findings in order to redefine this digital form of communication Chapters connect memes with other digital phenomena such as trolling and combine extensive close readings of exemplary individual memes with regards to form and aesthetics with an acute awareness of power dynamics and other context phenomena surrounding memes The book develops an innovative theoretical approach that presents the term memesis to capture the very specific quality of meme production and reception as a form of collective creative rewriting of a template in accordance with algorithmic logic Offering an important contribution not only to the still young field of meme studies but also to the general negotiations of questions around digital literacy this book will interest not only scholars and students of digital media visual communication cultural studies and media and politics but anyone with a keen interest in digital culture and how it shapes our lives 0.1%

Beyond Human Reality: An innocent Look into Existence and the Potential of Being Human S.S. López, 2020-12-28 0 1 percent is a humble journey through the murky waters of human nature existential doubt suffering and human potential The 99 9 percent offers a starting point to understanding humanity through current human realities Rational subjective deep subjective intersubjective and virtual realities form the backbone of how we perceive analyze and rationalize whatever this thing is that we call existence The book offers the reader some perspective on the obstacles we face while living completely unaware of our whole vital experience in the world and the endless potential we possess as human beings in such an inter correlated universe Once we are clear about our limitations our values and deep layers of existence we enter the realm of our 0 1 percent Here we are fully self aware creators of our own experiences with our own self made choices taking full responsibility for ourselves and the world We can begin to dream of giving purpose to our life 0 1 Beyond Human Reality confronts us with the realization that we are the origin of all coming evil as well as the most awe inspiring acts of kindness
