 consumers through collaborations merch entertainment brand codes icons and other cultural products and not through
 advertising is a matter of strategy In this book world renowned brand expert Ana Andjelic shows how modern brand strategy
 needs to be redefined as the strategy of cultural influence how brands today influence culture how brands should address
 audiences and how the new approach to cultural hitmaking works organizationally and operationally A cultural hit is an idea
 content or entertainment that a large number of consumers pay attention to share and talk about Once cultural hits become
 market hits by lifting brand popularity or driving product sales they have a strong financial return for a company Brands are
 motivated to start producing as many cultural hits as possible and these new formats replace traditional brand marketing
